Morning Gigue

A first-grade teacher is a new empty nester. One night she was trying out an art project: making a person with simple materials.

She took a coat hanger, attached a paper-plate face, put a shirt on the hanger and stuffed it. Then, sat it on the couch to see how it looked.

Later that evening her son walked in the door, home for a surprise visit. Taking one look at my coat-hanger friend sitting on the couch, he said, "Mom, it's not that bad, is it?"

ARIES (March 21 to April 19)

Your natural charisma enables you to shine like the star you are! You can make a positive impression on someone today.

TAURUS (April 20 to May 20)

There's a time for work and getting stuff done, and there's a time for rest and ease. Choose the latter, even if you must block out space for it in your schedule.

GEMINI (May 21 to June 20)

You can get a lot accomplished by working with a group instead of doing everything yourself. Also, make a plan to hang out or connect with friends.

CANCER (June 21 to July 22)

The hard work you put in now will bring rewards later, namely if you're working on a project or goal that you believe in.

LEO (July 23 to Aug. 22)

Commit to learning and exploration. Broaden your mind and your horizons.

VIRGO (Aug. 23 to Sept. 22)

If a project or opportunity isn't right for you, it's better to admit it now and cut your losses rather than wasting valuable resources, time or energy.

LIBRA (Sept. 23 to Oct. 22)

The day is ideal for brainstorming or planning meetings with your partner or team.

SCORPIO (Oct. 23 to Nov. 21)

What changes do you need to make to your daily routine so that you can stay productive without sacrificing your well-being?

SAGITTARIUS (Nov. 22 to Dec. 21)

You may get a much-needed boost of creativity or joy. Use it wisely!

CAPRICORN (Dec. 22 to Jan. 19)

Do something good for your mental health, like taking a bath or going on a walk.

AQUARIUS (Jan. 20 to Feb. 18)

If there's something you want, make your pitch, send the proposal, or start the discussion!

PISCES (Feb. 19 to March 20)

Expect promising developments or a happy resolution with a money matter.

FOR TODAY'S BIRTHDAY

You're a gentle soul, but you're no pushover. You'll dig your heels in and stand by your convictions before you even consider budging on your beliefs. While some may call you stubborn, you would say that you're dedicated. You often get what you want because you're so persistent. However, learning to be a bit more flexible at times can keep you from being stagnant or holding on too long to things that you've outgrown. This year, your mission is to learn the art of surrendering and how to better go with the flow.

THE MORNING BITE the kitchn

The 3-ingredient dessert that tastes like a tropical vacation

Patty Catalano, TheKitchn.com

There's a lot to love in the world of frozen desserts, from homemade ice cream to refreshing fruit granitas. One of my favorite sweet treats to scoop at the end of the day is sorbet. It tastes intensely fruity because it does not include dairy; instead it relies on fruit and sugar alone. (Sherbet is sometimes used interchangeably with sorbet, but sherbets include milk or cream.)

Sorbet can be made from any fruit, but I'm convinced that nothing tops mango sorbet. By turning mangoes into sorbet, you can capture the tropical sweetness, honeyed aroma, and creamy consistency that is so beloved in the fresh fruit. My mango sorbet recipe requires just three ingredients and 10 minutes to make, plus you don't need to use an ice cream machine. You can freeze it longer for scooping, but I adore the soft-serve consistency of just-made mango sorbet.

Why you'll love it

It tastes like the tropics. Mangoes are juicy, sweet, and among the tastiest tropical fruits. With just three ingredients in this sorbet, the mango's flavor is the main event.

Homemade dessert doesn't get any easier. Turn mango, lime, and a sweetener into a smooth and creamy dessert with a food processor or high-speed blender. No specialty ice cream maker required!

Key ingredients in Mango Sorbet

Mango: Start with store-bought chunks of frozen mango or freeze diced fresh mango.

Liquid sweetener: Mangoes are sweet from the start, but adding a liquid sweetener gives this sorbet a smooth and creamy consistency. Choose from maple syrup, simple syrup, honey, or agave nectar.

Lime juice: Use a citrus juicer to squeeze 2 tablespoons of juice from one medium lime.

Mango Sorbet (Serves 4 to 6)

2 (10-ounce) bags frozen mango chunks (about 5 cups)

1/3 cup liquid sweetener of choice, such as maple syrup, simple syrup, honey, or agave nectar

2 tablespoons freshly squeezed lime juice (from 1 medium lime)

1/4 teaspoon kosher salt

1. Let two (10-ounce) bags frozen mango chunks sit at room temperature for 10 minutes to take the chill off, but do not thaw completely.

2. Process the mango, 1/3 cup liquid sweetener, 2 tablespoons lime juice, and 1/4 teaspoon kosher salt in a food processor or high-speed blender until the bottom of the mixture becomes smooth and the top remains chunky, about 1 minute. Stop, scrape down the sides, and stir. Process again until smooth and creamy, stopping to scrape down the sides as needed, 4 to 5 minutes total.

3. Serve immediately for a soft-serve consistency, or transfer to an airtight container or a loaf pan, cover the surface with parchment or wax paper, and freeze until solid, 2 to 3 hours. (If using a loaf pan, wrap the entire pan in plastic wrap to prevent ice crystals from forming.)

Recipe notes

Fresh mango substitution: Peel, pit, and cut 3 pounds fresh mangoes (3 to 4 medium) into 3/4-inch pieces (about 3 heaping cups). Line a rimmed baking sheet with parchment paper. Arrange the mango on the baking sheet in a single layer. Freeze until solid, about 4 hours. Proceed with Step 2 of the recipe.

Storage: Store in an airtight container in the freezer for up to two weeks.
