Why am I a Rotarian?

I have been a proud Rotarian for over 20 years. My main reason for joining was Rotary's outstanding reputation to help with community and international projects and needs. What really appealed to me is that it's ability to be a vehicle that an ordinary Camrose citizen can assist with causes that help fellow earth inhabitants, look at environmental issues and partner in life changing projects. All this work can be done with fun and fellowship that creates community and develop friendships not only in Camrose but across, Canada and internationally. Can it get any better than that!

Through Camrose Rotary and Rotary's incredible international and national networking, a few international projects I have had the privilege of participating in are hosting Rotary international exchange students, a preschool project in Belize, a wheelchair project in Mexico and a community development project in Tanzania. The projects in Camrose and area have been endless as you can see throughout this community. I appreciate Rotary's humble ability of ongoing dedication to enhancing quality of life for others all the while fostering friendships and partnerships.

That is why I am a Rotarian.

Sheet-pan fajitas are great for a weeknight meal

Devon O'Brien

These flank steak fajitas make for a tasty, healthy dinner in a pinch. Preheated sheet pans sizzle the meat and vegetables just like in a skillet, but with a whole lot more hands-off time.

Sheet-Pan Steak Fajitas (Serves 4)

Active Time: 30 minutes

Total Time: 45 minutes

2 tablespoons extra-virgin olive oil
1 teaspoon chili powder
1 teaspoon garlic powder
1/2 teaspoon ground cumin
1/4 teaspoon salt
1 pound flank steak, trimmed
4 cups sliced onions
2 cups sliced bell peppers
2 cups sliced poblano peppers
8 (6-inch) corn tortillas, warmed
1/2 cup guacamole
Lime wedges for serving
Cilantro for garnish

1. Position racks in upper and lower thirds of oven and place a large rimmed baking sheet on each; preheat to 500 F.
2. Combine oil, chili powder, garlic powder, cumin and salt in a large bowl. Rub steak with half of the spice mixture. Add onions, bell peppers and poblanos to the bowl and toss to coat. Carefully place the steak on the pan on the top rack. Carefully spread the vegetables on the pan on the lower rack. Roast until the steak and vegetables are starting to brown, about 8 minutes.
3. Flip the steak and stir the vegetables. Turn the broiler to high and continue cooking the steak to desired doneness (an instant-read thermometer inserted in the thickest part will register 120 F for medium rare) and the vegetables until charred, about 6 minutes more. Transfer the steak to a cutting board and let rest for 5 minutes.
4. Slice the steak across the grain and serve in tortillas with the vegetables and guacamole. Serve with lime wedges and cilantro, if desired.
