Morning Giggle

A local hunting guide got himself into a big problem. His party became hopelessly lost in the mountains and they blamed him for leading them astray.

"You told us you were the best guide in Colorado!" they asserted.

"I am!," he said, "but I think we're in Wyoming now."

Your Horoscope

by Mecca Woods

ARIES (March 21 to April 19)

Your quick thinking will enable you to overcome any obstacles or problems that you encounter. You got this!

TAURUS (April 20 to May 20)

Think about delegating a few of the items on your to-do list so that you can rest or devote more time to what you really want.

GEMINI (May 21 to June 20)

The first half of the day can be useful for brainstorming ideas. The rest of the day will be best for executing them.

CANCER (June 21 to July 22)

Don't feel pressured to make a decision before you're ready. You'll know when the time is right.

LEO (July 23 to Aug. 22)

It might be an extra busy day ahead. Do what you can to stay centered and focused.

VIRGO (Aug. 23 to Sept. 22)

If there's a financial matter to sort out, seeking helpful advice or information will put you at an advantage.

LIBRA (Sept. 23 to Oct. 22)

If you're considering entering into a contract or an agreement, now's the time to negotiate or advocate for what you want.

SCORPIO (Oct. 23 to Nov. 21)

It might be hard to find your groove near the start of the day, but by the afternoon, you'll be back at full speed. Give yourself time to catch up.

SAGITTARIUS (Nov. 22 to Dec. 21)

You can't always rush progress. You have to let things take their time and unfold.

CAPRICORN (Dec. 22 to Jan. 19)

Your plans may work out better than expected. So, don't worry or get yourself worked up.

AQUARIUS (Jan. 20 to Feb. 18)

A straightforward approach is best when it comes to getting through the day.

PISCES (Feb. 19 to March 20)

Don't just choose the safest route or option. Go with the one that feels most meaningful to you.

FOR TODAY'S BIRTHDAY

You know exactly what you want, and you don't stop working until you get it. Your discerning taste and clearheaded thinking enable you to execute your plans with precision. You never accept less than what you're worth. You're extremely goal-oriented, and you possess an industrious spirit. However, you may be learning that happiness isn't only about how much money you make or how many accomplishments you achieve. Having love in your life is important, too. This year, if you want to have better relationships, there may be old relationship patterns that you need to leave behind first.
