Your Horoscope

by Mecca Woods

ARIES (March 21 to April 19)

Be mindful of making promises, unless you intend to keep them.

TAURUS (April 20 to May 20)

If your schedule or workload is affecting your well-being, maybe it's time to make some changes that bring ease into your life.

GEMINI (May 21 to June 20)

You have the kind of charm and popularity that draws people toward you. When it comes to whom you invite into your circle, though, try to choose more thoughtfully.

CANCER (June 21 to July 22)

Don't be afraid to let people see the real you -- the good, the bad and the ugly. They're a part of all of us.

LEO (July 23 to Aug. 22)

A collaboration or partnership that you're participating in could blossom into a dream team.

VIRGO (Aug. 23 to Sept. 22)

When it comes to making financial decisions, take time to gather as much information as you can before you proceed.

LIBRA (Sept. 23 to Oct. 22)

You might be the right fit for an opportunity, but is it what's fitting for you?

SCORPIO (Oct. 23 to Nov. 21)

Be mindful of giving out more time and energy than you can actually afford.

SAGITTARIUS (Nov. 22 to Dec. 21)

Who can help you with getting a creative idea or project off the ground and into fruition?

CAPRICORN (Dec. 22 to Jan. 19)

Beware of the trap of perfectionism. You're more than good enough!

AQUARIUS (Jan. 20 to Feb. 18)

Your magnetism is powerful. If there's something you want, you just might get it. Think big!

PISCES (Feb. 19 to March 20)

Exercising the power of saying "no" can help you avoid unnecessary problems.

FOR TODAY'S BIRTHDAY

You're unafraid to take up space and make your presence known. You're brave enough to do things that others might only dream of doing. However, you don't go through the trouble of comparing yourself to others. You're just fine being in a class of your own, with your unique aura and many interests. This year may be a period of healing and restoration for you. Whatever has been cleared out of your life over the past year will now allow you to make room for something better.

Morning FORE!

— Today's Tip —

MASTER STROKES

BY PHIL FRANKE WITH TOP 100 GOLF INSTRUCTORS

Pro golfers in the U.S. Open adjust their set-up when swinging out of heavy rough. If they didn't, the deep grass would muffle the clubhead before impact, causing them to leave the ball in the rough.

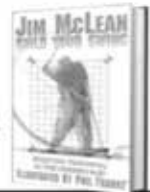

To adjust, position the ball well back in your stance, nearly opposite

'Steep' The Deep!

your right heel, with your weight primarily on your left or front foot. This setup helps

you make the key move: to swing on a steeper arc than normal. A steep

downswing arc brings the clubhead sharply down on the ball, without the heavy grass muffling the shot. Finally, because you're swinging down so sharply, let the ground stop your follow-through shortly after impact. Also, take plenty of loft for the shot, no less than a 7-iron.

By Jim McLean, owner, Jim McLean Golf School, author of the best-selling book "The Slot Swing" and the all-new "Build Your Swing" illustrated by Phil Franke

THE MORNING BITE

Apple Pie

Prep time: 30 min

Cook time: 45 min

Servings: 8

Ingredients

Filling

900 g (4-5) golden delicious apples

15 g (1 tbsp) lemon juice

50 g white sugar

65 g brown sugar

5 g (1 tsp) cinnamon

1-2 g nutmeg

15 g cornstarch

15 g ice water

226 g (2 sticks) cold butter, cut into slices

Crust

350 g flour

5 g salt

30 g white sugar

225 g butter

50-100 ml ice water

Egg Wash

1 egg (optional)

15 g water (optional)

Directions

Peel and cut the apples into 1-2 inch strips

Put the apples in a bowl and mix in the lemon juice, sugar, cinnamon, nutmeg, and cornstarch and let it sit for 15 mins to release water

Transfer the filling mixture to a sauce pan and reduce the liquid over medium to low heat for around 15 mins, stirring regularly, then turn off the gas

While the filling is sitting / reducing, start the crust by putting the flour, salt, sugar, and pieces of butter in a food processor

Run the food processor until it resembles a coarse sand (5-10 seconds) then start dripping in the ice water until the mixture starts to chunk together

You'll know when it's done if you can pinch the dough with your hand and it sticks together

Preheat oven to 350°F then start making the pie crust

Cut the dough in half and roll both halves out with a rolling pin until they are big enough to cover your pie pan (around 9 inch diameter)

Put the bottom half dough into the pie pan and cut off the excess dough with a knife

Dump the sauce pan full of the filling into the pie pan and even it out

Cover the pie filling with the top dough and fold over and tuck in the excess crust

Use a fork or your fingers to pinch down the top crust to the bottom crust so you don't have air gaps

Optionally you can now brush on the egg wash to make the crust get a shiny golden brown color when it cooks

Cut a few slits in the top crust with a knife to give it a nice design and allow for air to release

Bake 45 minutes at 350°F or until the crust is brown to your liking and the apples are bubbling inside
