JULY 12-20, 2026

Breach condition

Police received a report of a male subject slumped over in a parked vehicle. Police attended the location and identified a male subject in the passenger seat of a vehicle. Police checks showed that he was breaching a court condition of not being in a vehicle without a registered owner being present. The male was arrested for the breach and held for a Judicial Interim Release Hearing where he was released on a Release Order.

Eviction

Police members, along with City of Camrose Community Peace Officer, attended a residence in the area of 52 Street and 4300 Block to assist the City with an eviction of a male and female subject. The male attempted to return into the residence and was subsequently arrested and transported to Camrose Police Service. He was charged for obstruction and released on an Undertaking.

Assault

Police received a report where a 28-year-old male assaulted an elderly female and left the residence. Police attended the subject address and the investigation confirmed the female had been assaulted. Police later located the male and arrested him for assault, assault with a weapon, uttering threats and unlawful confinement. The male was brought before a Justice of the Peace and adjourned his matters. He remained in custody to be brought to court at a later date for his release hearing.

Domestic Assault

A person reported a male assaulting a female in the downtown area. Police attended and located both subjects near Jubilee Park. The 31-year-old male was arrested for assault with a weapon and three breaches of court orders. The male subject was transported to Camrose Police Service. He was brought before a Justice of the Peace and adjourned his matters. The subject remains in custody and will be brought before the courts at a later date for his release hearing.

Sexual assault

As a result of an ongoing investigation, police arrested a 39-year-old female subject for sexual assault. The female subject was charged with sexual assault and released on an Undertaking.

Morning Gigue

Friend of mine named Dan hates to lose at golf. He was in a foursome when his ball landed in a sand trap.

Hidden from view, the rest of us could hear him as he hacked away at the ball.

When he finally drove it out, and rejoined us, I asked him how many strokes that was.

"Three." he replied.

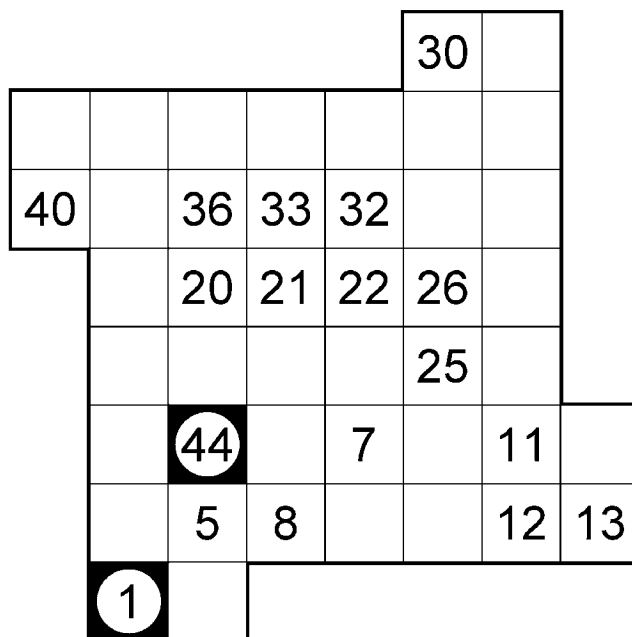

"Oh come on !" said another member of the group. "I heard six."

"Three..." replied Dan "were echoes."

Your Horoscope

by Mecca Woods

ARIES (March 21 to April 19)

Consider getting together with loved ones for family-friendly fun. If you're in a more creative mood, this can be a wonderful time to return to a hobby you loved as a kid.

TAURUS (April 20 to May 20)

Need a change of scenery? Maybe a staycation could be a good fit. On another note, if you're looking for a new home, you can make progress with your search.

GEMINI (May 21 to June 20)

Today can be useful for having meetings or discussions concerning your money or finances. Maybe there's a job opportunity on the horizon!

CANCER (June 21 to July 22)

It's time to start making moves with a plan or goal. What you want is well within reach.

LEO (July 23 to Aug. 22)

Sometimes it's more beneficial to let things come to you, rather than chasing them down.

VIRGO (Aug. 23 to Sept. 22)

This has probably been a busy summer for you. However, today asks you to slow down and find some quiet time for yourself.

LIBRA (Sept. 23 to Oct. 22)

Your need to succeed is emphasized today. It's a good time to assess your goals and make adjustments as needed.

SCORPIO (Oct. 23 to Nov. 21)

Broadening your knowledge or experience can help you to improve as a parent, leader or professional.

SAGITTARIUS (Nov. 22 to Dec. 21)

It might be time to deal with something that you've been dreading. Empower yourself with the truth. Then you can determine the right plan of action.

CAPRICORN (Dec. 22 to Jan. 19)

If you're stressed, it could be better to talk about it openly, rather than letting your feelings fester.

AQUARIUS (Jan. 20 to Feb. 18)

Your time and experience might be in high demand. However, try to be choosy about the responsibilities you take on so that you're not overworked.

PISCES (Feb. 19 to March 20)

As your wellness comes into focus, doing activities that encourage you to move your body (and have fun while doing so) could be helpful.

FOR TODAY'S BIRTHDAY

You're driven by passion and a desire to grow. You never settle for whatever you can get; you're a firm believer in asking for more. While you might enjoy traditional avenues for learning, you also have a lot of wisdom under your belt because of your life experiences. You don't mind sharing what you've learned, especially if it can help or inspire someone else. Inside you lives a dreamer. This year, it's time to invest in one of your many dreams and bring it to life.
