IMAGINE. EXPERIENCE. CELEBRATE.

A Canadian Legend Takes Flight: Billy Bishop Goes to War Acclaimed Musical Celebrates an Unlikely Hero and a Timeless Tale of Courage

Make sure to stop by before the show (between 5:00PM and 7:00PM) for the next Visual Artist Meet & Greet with Joel Morello!

A true showman with a heart of gold, Trevor Panczak has captivated audiences across North America with his rich vocals, engaging stage presence, and unforgettable performances. With four top 50 hits and one top 40 hit in Canada, Trevor's original music has won over fans far and wide. Now, he brings a brand-new show honoring one of country music's most beloved icons—The Genius of the Gentle Giant: The Music of Don Williams.

Having had the honor of opening for Don Williams on his final Canadian tour, Trevor shares a deep, personal connection to the legend's music. With a full length album featuring Don Williams' band and recorded at the legendary

Sound Emporium Studio in Nashville to go with his show, this heartfelt tribute takes you through decades of classics, complete with touching stories and timeless hits.

Some of 18 time Country Music Alberta nominated recording artist, Trevor Panczak's first songs learned on guitar, were of Don Williams. Trevor thought it came full circle when he had the opportunity to open up for Don Williams' final Canadian tour in 2013. It came even more full circle when he recorded a tribute album with Don Williams band, at the Sound Emporium where Don Williams recorded many of his hit records.

Trevor worked up the courage to ask Don's son Tim if he'd send his father's trademark hat and guitar to the studio so they could be even more connected while they recorded the album and Tim said "Well, if Daddy's hat wasn't at the Country Music Hall of Fame right now, I'd do it for ya but I will send the guitar down." and he did. The Gibson L5 stood in the middle of Studio A for the entirety of the sessions connecting everyone in the room even more. At the end of those recording sessions, Trevor was given the gift of Don Williams last set list as a token of appreciation from Anna Jaap, the widow of Don Williams road manager Gus Laux.

If you've only seen Trevor's original act, you will see him in a different light with his tribute to one of his heroes. Trevor and the band share familiar renditions and new interpretations of the music of one of the most beloved artists of all time, the "original" gentle giant, Don Williams. Trevor will take you through the decades connecting

you to some of Don's forty five top ten hits and seventeen number 1's with touching stories of the relationship to not only the songs but to the man himself in a way that only Trevor can do.

Don't miss this version of Trevor Panczak—already an entertainer known for his authenticity, charm, and remarkable musicianship—he keeps classic country music alive and well!

Give the Gift of Comfort This Christmas

This Christmas season, you can make a meaningful difference right here at home. While the holidays are joyful for many, they can be especially tender for those facing loss, or grief. Your generosity brings light into those moments.

A gift to the Hospice Society of Camrose & District helps ensure that no one must walk life's hardest road alone. Your support provides compassionate companionship, grief support, and comfort-focused programs for individuals and families when they need it most, all free of charge.

This Christmas, consider giving a gift that truly matters. Whether you donate in honour of someone you love, make a gift instead of exchanging presents, or simply choose to help your community, your kindness brings warmth, dignity, and hope.

**Give comfort.
Give compassion.**

**Give Christmas
from the heart.**
