SING-A-LONG-A GREASE

Have you ever been to a film musical and had the uncontrollable urge to burst into song? Ever wanted to know what it’s like to be a T-bird or a Pink Lady but never quite felt cool enough to pull it off? Well, now is your chance to don those pink jackets, grease up those quills, and if your niềm has been to an evening where there is no chance for you to burst into song, it is the time to do so! What are you waiting for? The first rule of Sing-a-long-a is THERE ARE NO RULES! So let your imagination run wild, grab your free fun pack, and accompanying actions. Then just sit back and watch Danny and Sandy and the gang, while your Sing-a-long-a host shows you how to use your free fun pack during the film and suggests some appropriate heckles and cheers. And remember GREASE is the word…

The evening begins with your Sing-a-long-a Grease host leading a vocal warm-up before they show you how to use your free fun pack during the film and suggest some appropriate heckles and accompanying actions. Dance in, sing along to the lyrics on the screen. It couldn’t be easier… or more fun! Fancy dress is strongly encouraged and all audience participation essential.

UNIKKAQTAUQTUAT

Our Legends

A collaboration between The 7 Fingers, Arcting, and Taqqut Productions

Tchaikovsky’s “Nutcracker Suite”, Debussy’s “Afternoon of a Faun”, Ravel’s “Bolero”, Beethoven’s “Piano Concerto No. 5”, Bizet’s “Carmen”, Vivaldi’s “Four Seasons”, Debussy’s “Clair de Lune”, and an arrangement of Tchaikovsky’s “1812 Overture”. These arrangements and the performances are inspired by the idea that Inuit traditions are still very much alive today. The collaborations between the artists of Taqqut Productions of Iqaluit, and joined by circus artists from the 7 Fingers of Montreal and a similarly diverse team of designers and technicians. Video content is created by world-renowned film artist and motion-graphics designer Sébastien Lemieux, and directed by Neil Christopher.
