## ARIES (March 21 to April 19)

When you're in a constant state of busyness, it stops you from being able to appreciate stillness and peace. Slow down!

## TAURUS (April 20 to May 20)

Beware of isolating yourself too much. You need people just like anyone else.

## GEMINI (May 21 to June 20)

A potential partnership could fall through, but maybe there's another one that is worth exploring.

## CANCER (June 21 to July 22)

Before you commit to a project or goal, perhaps you need to pause and ask yourself why you're doing so.

## LEO (July 23 to Aug. 22)

Now's not the time to leave anything to chance and expect that all will work itself out. Have a backup plan in place.

## VIRGO (Aug. 23 to Sept. 22)

Don't be afraid to open your heart. You won't be disappointed.

## LIBRA (Sept. 23 to Oct. 22)

You often enjoy taking care of others, but today demands that you take care of yourself.

## SCORPIO (Oct. 23 to Nov. 21)

Plans might not come together the way that you want. This could be more of a blessing than a curse.

## SAGITTARIUS (Nov. 22 to Dec. 21)

Take a break from the grind and spend time with someone you love.

## CAPRICORN (Dec. 22 to Jan. 19)

If you're feeling "blah," talking to a trusted person could lift your spirits. Music, art or trashy TV could also provide you with a mood boost.

## AQUARIUS (Jan. 20 to Feb. 18)

If you're unsure about a decision to make or how to move forward, honoring your value system will help you find your way.

## PISCES (Feb. 19 to March 20)

Don't be so hard on yourself or compare yourself to anyone else. Exercise a little more self-appreciation.

## FOR TODAY'S BIRTHDAY

You know how to connect with people. You're a wonderful conversationalist because you genuinely want to know what others are thinking and why they think the way that they do. Among your social circle, you might be lovingly known as the weird or eccentric friend. However, you wouldn't have it any other way. You would hate to be considered as someone who mindlessly follows rules or always does what's expected of you. You're unafraid to challenge the status quo. This year, think of any endings that you experience as opportunities for exciting new beginnings.

**BIRTHDATE OF:** Christina Ricci, actress; Josh Brodin, actor; Arsenio Hall, comedian/TV personality.

Kassandra and Victoria Sellin were both born and raised in Camrose, Alberta, and went on to earn Bachelor of Commerce degrees with majors in Accounting from MacEwan University. After graduating from university, Victoria worked in human resources, where she developed a strong ability to understand individual needs and priorities. Kassandra spent several years in public accounting, cultivating strong analytical and problem-solving abilities as well as a keen eye for detail. With strong foundations in business and finance, they bring a thoughtful, detail-oriented approach to real estate. Growing up in a family of business-owners instilled in them a deep appreciation for entrepreneurship, hard work, and client-focused service. These values, combined with their passion for helping people achieve their goals, naturally led them to a career in real estate. Kassandra and Victoria hold Residential, Rural, and Commercial real estate licenses, allowing them to serve a wide range of clients and property types. Working alongside their father, Otto Sellin, is especially meaningful to them, as it allows them to combine experience, trust, and shared values to deliver exceptional results in their new team, the Sellin Realty Group.

## Understanding Grief...

**Grief** is a normal but sometimes overwhelming *emotion*. It is a response to the loss of someone or something that we have formed relationship or a bond with. There are many dimensions to this emotion that have impacts on our physical body, our cognitive functions, social interactions, and our spirituality. It is normal to find yourself feeling numb and removed from daily life, unable to carry on with regular duties while saddled with the sense of loss. Grief is both a universal and a personal experience. Individual experiences of grief vary and are influenced by the nature of the loss.

Experts advise those grieving to realize they can't control the process and to prepare for varying stages of grief. Understanding why you're suffering can help, as can talking to others and trying to resolve issues that cause significant emotional pain.

**Mourning** is the expression of *grief*, occurring as a result of someone's death. It is a personal and a collective response which can vary depending on the contexts of the relationships we have.

**Ceremony** is a unified ritualistic event with a purpose, usually consisting of a number of human expressions such as music, spoken word, poetry, or other artistic components. The purpose of a funeral ceremony is for those who are experiencing grief to come together in a meaningful way that allows for the expression of our grief. Every ceremony is as unique as the individual whose life we are celebrating. Some ceremonies may have rich traditions that incorporate religious or spiritual elements. Other ceremonies may be very simple and only have a few components. *The important thing is that grief shared is grief diminished* and ceremony's that allow for people to mourn together can greatly support our path to acceptance.
