# Your Horoscope

by Mecca Woods

## ARIES (March 21 to April 19)

Think about the group, team or community that you belong to or want to join. Assemble your squad.

## TAURUS (April 20 to May 20)

You may be moved to answer your calling or switch gears entirely with your career. An opportunity to mentor others might also present itself.

## GEMINI (May 21 to June 20)

Hope is something you must work at. A big part of this job includes exploring new horizons, embarking on new adventures, and building on your faith.

## CANCER (June 21 to July 22)

While change can be scary, you've reached a point where a shift is necessary. Facing this head-on will be more empowering than avoiding it.

## LEO (July 23 to Aug. 22)

Collaborative efforts and strategic partnerships are where you will find the most success going forward. Rethink a relationship that demands more than it gives.

## VIRGO (Aug. 23 to Sept. 22)

If your usual habits no longer work for you, especially where health and wellness are concerned, maybe it's time to figure out what does work.

## LIBRA (Sept. 23 to Oct. 22)

You might soon clear a creative block. You could also be on your way to discovering a new passion or rediscovering yourself.

## SCORPIO (Oct. 23 to Nov. 21)

You may feel called to get reacquainted with your roots or put down new ones. Your emotional security and sense of belonging are highlighted now.

## SAGITTARIUS (Nov. 22 to Dec. 21)

It's time to target an idea that you'd like to pursue. You might not like the idea of having to choose just one, but your commitment will pay off.

## CAPRICORN (Dec. 22 to Jan. 19)

It's possible that you could get the funding you need for a business venture or a property-related upgrade. There could also be a change in the way that you earn money.

## AQUARIUS (Jan. 20 to Feb. 18)

You've got the wind in your sails again. Think seriously about where you want to go and get ready to soar!

## PISCES (Feb. 19 to March 20)

Helpful remedies for worry are therapy and meditation, trusting your intuition, and making a habit of envisioning what you want to materialize.

## FOR TODAY'S BIRTHDAY

When you're a part of a team, you have a way of making everyone feel like they belong. You're charismatic but maybe even a little enigmatic, too. While you love connecting with people, you also tend to keep much of your private life under wraps unless you truly feel comfortable with those you're with, or you're sharing your inner world through your creativity. You straddle the line between emotional closeness and distance. However, you would never do anything to break your own moral code. This year, you're on your way to scoring a personal victory!

## BIRTHDATE OF

Jeremy Allen White, actor; Billy Joe Armstrong, rock musician; Ed Sheeran, singer-songwriter.

## **Boost the Balcony**

*Thank you so much for the generous support so many of you have given for this project.*

For those of you who may be unaware of this initiative, the 108 seats in our balcony are in need of replacement. They are 50 years old and beyond repair. A Canadian manufacturer has provided a quote to supply and install new seats, complete with cup holders. All totalled, the project will cost \$96,000. There's now over \$32,000 raised to Boost the Balcony!

### **SPECIAL OFFER**

Right now, you can have a name plate affixed to a chair arm with a tax deductible donation of \$850. It could be in your name or a loved one's or as a tribute. Please consider making a pledge, no matter how small, to Boost the Balcony.

*“We get no choice.  
If we love, we grieve.”*

*Thomas Lynch*

When someone close to us passes, the confusion and mixed emotions we feel can often become overwhelming. However, it is important to recognize that there is no standard way of experiencing loss and no right way to grieve.

*Grief can manifest itself in a range of emotions: Shock, anger, guilt, despair, numbness. It is important to be kind to yourself and give yourself the time and care that you need to transition through the grieving process.*

*Coping with grief: recognize your emotions, lean on support from family and friends, talk about it, get additional help if needed, and give yourself time.*
