Your Horoscope

by Mecca Woods

ARIES (March 21 to April 19)

When your birthday season arrives, you'll be ready to spring into action. Until then, take this time to regroup and plan your next move.

TAURUS (April 20 to May 20)

Utilize the power of community to achieve your goals or to work toward a goal that you share with others.

GEMINI (May 21 to June 20)

The time that you've spent honing your skills or resume will enable you to rise up to whatever occasion emerges.

CANCER (June 21 to July 22)

Where do you feel called to grow in your life? Perhaps it will have to do with education, philosophy, or the number of stamps on your passport.

LEO (July 23 to Aug. 22)

Perhaps a heart-to-heart is needed with someone close to you. Don't be afraid to ask for what you need.

VIRGO (Aug. 23 to Sept. 22)

You can benefit a great deal from partnering with people whose skillset match your own. If you need help, now's a great time to ask.

LIBRA (Sept. 23 to Oct. 22)

Make sure your body stays fueled so that you can keep up with all you have to do. That being said, expect to gain traction with a project or goal.

SCORPIO (Oct. 23 to Nov. 21)

All work and no play makes for an unbalanced SCORPIO. Feeding your fun-loving and romantic side is important, too.

SAGITTARIUS (Nov. 22 to Dec. 21)

Check in with how you're feeling. If something's off, get to the bottom of it. On another note, a home or family matter requires your attention.

CAPRICORN (Dec. 22 to Jan. 19)

Today is ideal for reaching out to people for work-related matters or more personal concerns. People will be very receptive to your requests or ideas.

AQUARIUS (Jan. 20 to Feb. 18)

You could receive promising financial news or a job offer. Perhaps a money goal is not as out of reach as you might think!

PISCES (Feb. 19 to March 20)

It's your time to shine! Be bold, be brave, and most importantly, be you!

FOR TODAY'S BIRTHDAY

People are drawn to you. However, maintaining good boundaries with others can help you determine who gets to be a part of your life. When you're at your best, you're clever and adaptable. You can make something good out of a bad situation and inspire others to do the same. You might do creative work for a living or for fun. With the strength of your intuition and imagination, you can touch hearts and minds. The past year might have been a whirlwind, but this year will give you the opportunity to find more solid ground.

BIRTHDATE OF

John Travolta, actor; Vanna White, television personality; Molly Ringwald, actress/writer.

IMAGINE. EXPERIENCE. CELEBRATE.

Shad: A Ronning Centre Conversation

voice in hip-hop, expertly crafting rhymes that tackle themes ranging from identity and faith to politics and personal struggle, all while experimenting with a diverse range of sounds and styles.

A critically acclaimed artist, Shad has earned a number of prestigious accolades. He won the 2011 JUNO Award for Rap Album of the Year, and he is also the only artist to be shortlisted five times for the Polaris Music Prize for Canadian Album of the Year, more than any other artist in the award's history, underscoring his consistent artistic excellence and national impact.

Shad's influence extends well beyond music. He captured the national spotlight in 2012 when he won CBC Radio's Canada Reads competition, passionately championing *Something Fierce* by Carmen Aguirre. He then served as the host of CBC Radio's flagship arts and culture program *q* and Netflix's Emmy and Peabody Award-winning series *Hip-Hop Evolution*. In addition to his media work, Shad has also grown into the role of educator, having recently designed and taught Hip-Hop-related courses at both the University of Toronto and Wilfrid Laurier University, further solidifying his role as a leading voice.

Shad's 2018 album *A Short Story About a War* alone has amassed over 3 million streams, contributing to more than 30 million streams across platforms.

His music and voice have received international attention with media coverage from outlets such as *Rolling Stone*, *Complex*, *Pitchfork*, *Consequence of Sound*, *NPR*, *Brooklyn Vegan*, *The Intercept*, *The Ringer*, *Noisey*, *Fader*, *NOW*

Toronto, *Globe and Mail*, *La Presse*, and many more. Radio support for his work has spanned the globe, including airplay on BBC 6Music, WNYC, KEXP, KCRW, KZGO, SiriusXM, and many others. Shad's catalogue has appeared in notable sync placements for shows like *Snowpiercer*, *The Murders*, and *Tall Boyz*.

Personalized Memorials

Your Story in Stone

A cemetery provides an important function in our society. It is a sacred ground that has been dedicated for the purpose of perpetually providing a safe area for the placement of the earthly remains.

The purpose of the memorial is to identify the person who was laid to rest in a grave plot or in a columbarium niche. However, it also provides an opportunity beyond this basic function, the monument can tell a story through the design. If a picture can say a thousand words, the same is true of a monuments design.

We encourage careful consideration when choosing a monument. It is something you do not want to rush and you want to ensure that the quality of the memorial is something that will last forever. This is why we suggest granite as the material of choice for memorials. Granite is the hardest form of rock after diamond. Similar to diamonds, there are different grades of granite. Softer grades of granite, concrete products or fieldstones that require paint to be applied to the lettering or design elements should be avoided

Weber Funeral Home is an authorized monument and columbarium engraving provider for the Camrose Valleyview Cemetery and rural cemeteries. We provide granite that will stand the test of time. We have broad selection of colours, shapes, cuts and sizes. We also have a rendering process so that you can see a visual representation of what your monument will look like before it is ordered.
