Your Horoscope

by Mecca Woods

ARIES (March 21 to April 19)

Your body might demand more care from you now. Showing up for yourself in this way can enable you to better show up for everything else in life.

TAURUS (April 20 to May 20)

If you're feeling like you want more out of life, start by identifying where or what your soul is pulling you toward.

GEMINI (May 21 to June 20)

Figuring out which friends or friend groups are truly for you and which aren't is a job that is worth taking on.

CANCER (June 21 to July 22)

Don't allow the fear of making a mistake prevent you from even trying.

LEO (July 23 to Aug. 22)

Sometimes it's necessary to do something even if you're unsure of how you're going to put all the pieces together. It's called having faith.

VIRGO (Aug. 23 to Sept. 22)

Any emotional walls that you've built to keep people out have probably outlived their usefulness.

LIBRA (Sept. 23 to Oct. 22)

If you want to build stronger and more genuine relationships, consider where you might need to be more authentic.

SCORPIO (Oct. 23 to Nov. 21)

Just because you can push yourself to the limit doesn't always mean you should. Maybe it's time to redefine what productivity means to you.

SAGITTARIUS (Nov. 22 to Dec. 21)

If what used to be fun for you isn't cutting it anymore, challenge yourself to discover new pathways to joy.

CAPRICORN (Dec. 22 to Jan. 19)

What does your support system look like? If it's barely there or completely nonexistent, you're being pushed to change this.

AQUARIUS (Jan. 20 to Feb. 18)

Perhaps it's time to improve your skillset, tell your story, or lay the groundwork for your next big project. Refining how you market yourself could be a focus, too.

PISCES (Feb. 19 to March 20)

Your worthiness isn't based on how much you have or how much you do for others. Only you can determine how worthy you are.

FOR TODAY'S BIRTHDAY

You attract good things to you because you know there's still a lot of good that exists in the world. As a compassionate soul, you also do as much as you can to share such goodness with others. Your presence can comfort those around you, but it's important for you to set aside time that's just for you as frequently as possible. This way, you can have the space you need to give yourself the love and care that you so readily provide to others. This year, as your priorities change, expect to gain clarity on what's really worth your time, concern and money.

BIRTHDATE OF: Rihanna, singer/businesswoman; Trevor Noah, comedian/talk show host; Olivia Rodrigo, singer/actress.

FUNERAL DIRECTORS

Grief shared is grief diminished. When we experience the loss of a loved one, it is important for family, friends and community to come together and support one another. When we deny ourselves the opportunity to experience the support of the community, we add to the burden of grief by causing ourselves to journey through the pain of loss alone.

Our funeral directors have over 85 years of combined experience providing funeral services. We pride ourselves in our exceptional level of service and attention to detail. Our funeral home offers a chapel and an on-site multipurpose reception centre, that can be used for any gathering. For more information, please contact our office.
