Morning Giggle

There were two men shipwrecked on this island. The minute they got onto the island, one of them started screaming and yelling, "We're going to die! We're going to die! There's no food! No water! We're going to die!"

The second man was propped up against a palm tree and acting so calmly it drove the first man crazy. "Don't you understand?!? We're going to die!!!"

The second man replied, "You don't understand, I make \$100,000 a week."

The first man looked at him quite dumbfounded and asked, "What difference does that make?!? We're on an island with no food and no water! We're going to DIE!!!"

The second man answered, "You just don't get it. I make \$100,000 a week and I tithe ten percent on that \$100,000 a week. My pastor will find me!"

CANCER (June 21 to July 22)

VIRGO (Aug. 23 to Sept. 22)

Partnering or teaming up with others will be advantageous or profitable for you.

LIBRA (Sept. 23 to Oct. 22)

Today is beneficial for catching up on unfinished work. You may end up getting through your to-do list faster than expected.

SCORPIO (Oct. 23 to Nov. 21)

Do something that benefits your emotional well-being today, like getting hugs from someone you hold dear.

CAPRICORN (Dec. 22 to Jan. 19)

There are people who want to see you thrive. Be confident enough to ask for their help. Your wish will be granted.

AQUARIUS (Jan. 20 to Feb. 18)

It's a good day for doing anything that supports or improves your physical wellness.

PISCES (Feb. 19 to March 20)

Be bold. Be confident. Be creative. Let yourself shine!

FOR TODAY'S BIRTHDAY

You're charming and kind. People often enjoy your company because you're funny, empathetic, and full of positivity. You remain cool under pressure and rarely sweat the small stuff. You have a way of trusting that all will work out as it should, and oftentimes it does. You're good at manifesting the things you want because you believe that you can do it. You inspire others to imagine what's possible, too. This year, know that you've got a good amount of luck on your side. Make a wish because there's a strong possibility that it will come true!

THE MORNING BITE the kitchn

Everyone demands the recipe for my Southern smashed potato salad

Nealey Dozier, TheKitchn.com

Everyone's mother has a signature potato salad recipe, at least in the South it seems. I've got about four versions that I rotate between, including an Ina Garten recipe that uses whole-grain mustard and my mother-in-law's recipe with Greek yogurt and plenty of chives.

With warmer weather promising lots of summer potlucks and backyard barbecues, I decided it was high time I came up with my own signature potato salad.

When I thought about the flavors I find most important, I kept returning to a potato salad I enjoyed at a little sandwich shop in my tiny North Carolina college town. I Googled it, hoping to find a description listed on the menu to guide me in the right direction. Unfortunately the only information I could find was its name, "Southern Potato Salad." Not very helpful at all.

I racked my brain, remembering that it was rather chunky with both potatoes and their red skins. It was creamy, yet tangy, with the slightest hint of yellow. I also recall there being something crunchy and green, because I picked at everything around it. At the time I didn't like things that were either crunchy or green, a taste preference that I am very glad has since evolved.

I grabbed a handful of ingredients and got started in the kitchen. I started out slowly and tasted and stirred; a pinch of this and a handful of that. Then I left it to chill to see how it changed. A few hours later and what do you know? It was positively delightful! I'm not sure if it really is anything like that potato salad of my memory, but you can bet I've found my "signature" recipe. Here's how to make it.

Key ingredients in Southern smashed potato salad

Red potatoes: Scrub and quarter 2 pounds of petite red potatoes.

Mayonnaise: Use your favorite store-bought brand or make your own.

Mustard: I like a combination of dry mustard powder and prepared yellow mustard.

Celery and shallots: Finely chop them for a bit of crunch.

Scallions: Garnish the potato salad with thinly sliced scallions.

Southern Smashed Potato Salad (Serves 4 to 6)

2 pounds petite red potatoes, scrubbed and quartered

3/4 cup mayonnaise

1 1/4 teaspoons dry mustard powder

1 heaping teaspoon prepared yellow mustard

1/2 cup finely chopped celery

1/4 cup finely chopped shallots

1 teaspoon kosher salt

Freshly ground black pepper

Thinly sliced scallions, for garnish

1. Bring 2 pounds quartered petite red potatoes to a boil in a large pot of salted water. Cook until tender and easily pierced with a knife, 20 to 25 minutes total. Drain potatoes and return to the pot.

2. Add 3/4 cup mayonnaise, 1 1/4 teaspoons dry mustard powder, 1 heaping teaspoon prepared yellow mustard, 1/2 cup finely chopped celery, 1/4 cup finely chopped shallots, 1 teaspoon kosher salt, and a generous amount of freshly ground black pepper. Smash using a potato masher until desired texture is reached. (I like small chunks of potatoes throughout.)

3. Refrigerate until chilled. Adjust seasonings to personal preference upon serving; the flavors will have married and become a bit less pungent. Garnish with thinly sliced scallions and serve.

Let us guide you in choosing the right monument for your loved one...

- Monuments help families who have lost a loved one through the difficult transition period by providing them with a tangible link between the past, the present, and the future.
- Monuments can also tell the story of the deceased. You can have custom images put on the monument that can show what your loved one enjoyed, a glimpse into who they were.

- Monuments provide families a place where they can go, to reflect on the memories of their loved one, and on the moments they spent with them.
