Morning Giggle

Lucille, my sister, had been pestering her husband, a carpenter, for more than a decade to build a screen door for the kitchen.

One day, to her delight, he built and installed one in less than two hours. It was both practical and pretty. She glanced towards the front door and wistfully remarked that one would look good there, as well.

"Are you kidding?" he gasped. "You can't just whip these things up, you know. It takes ten years to build a door like this."

FOR TODAY'S BIRTHDAY

You're a dreamer. Maintaining a sense of hope and wonder is what helps you to succeed and overcome obstacles. Being involved in projects or plans that enable you to help others is good for your soul. You do best when you can bring healing and happiness to others, either through your work or just by being who you are. You just need to make sure that you don't neglect your own needs or self-care. With this year shaping up to be a busy and socially active time for you, setting aside enough quiet time for yourself will help to keep your battery charged.
