## Morning Giggle

A man calling a travel agency to make reservations said, "I want to go from Chicago to Hippopotamus, New York".

The agent was at a loss for words. Finally he asked, "Are you sure that's the name of the town?"

"Yes, what Flights do you have?" replied the customer.

After some searching, the agent came back with, "I'm sorry, sir, I've looked up every airport code in the country and can't find a Hippopotamus anywhere."

The customer retorted, "Oh don't be silly. Everyone knows where it is. Check your map!"

The agent scoured a map of the state of New York and finally offered, "You don't mean Buffalo, do you?"

"That's it!" he said. "I knew it was some big animal!"

# Your Horoscope

by Mecca Woods

## ARIES (March 21 to April 19)

Aim to spend time with someone you find encouraging or inspiring. This person could help you with bringing a plan or dream to life!

## TAURUS (April 20 to May 20)

Your spiritual and emotional well-being are just as important as your fiscal fitness. What's one concrete action that you can take to better care for your mental health?

## GEMINI (May 21 to June 20)

It's an advantageous time for doing something creatively bold or daring. You could secure a new opportunity for yourself or, at the very least, have a lot of fun.

## CANCER (June 21 to July 22)

Believe in yourself and your worth, especially if you're negotiating money.

## LEO (July 23 to Aug. 22)

You might be feeling more hopeful than you've been in some time. Let optimism be your fuel, especially when it comes to reaching a goal.

## VIRGO (Aug. 23 to Sept. 22)

Don't be afraid of uncertainty. Now's the time to find a way to thrive in it!

## LIBRA (Sept. 23 to Oct. 22)

A moment of serendipity could put you into contact with the right person at the right time.

## SCORPIO (Oct. 23 to Nov. 21)

Find your own unique way to make the world better. You can make a difference!

## SAGITTARIUS (Nov. 22 to Dec. 21)

It's time to fall back in love with learning. Maybe there's a class or course that you'd like to take.

## CAPRICORN (Dec. 22 to Jan. 19)

There might be an exciting business opportunity coming your way or an opportunity to boost your income.

## AQUARIUS (Jan. 20 to Feb. 18)

You could find success with a partnership opportunity. Teamwork makes the dream work!

## PISCES (Feb. 19 to March 20)

Change can be hard, but it seems like you're up to the challenge and in need of something new.

## FOR TODAY'S BIRTHDAY

You possess a strong moral compass that keeps you in alignment with your purpose. You're unafraid to fight for what you believe in, especially if it's on behalf of the underdog. You reach your goals with a combination of optimism and perseverance. The word "can't" probably isn't even a part of your vocabulary because you'll always find a way to achieve your objective. On the off chance that you can't find a way, you'll make one instead. This year, your emotional fulfillment will be a top priority. Find ways to do more of what makes you happy!

# Morning FORE!

— Today's Tip —

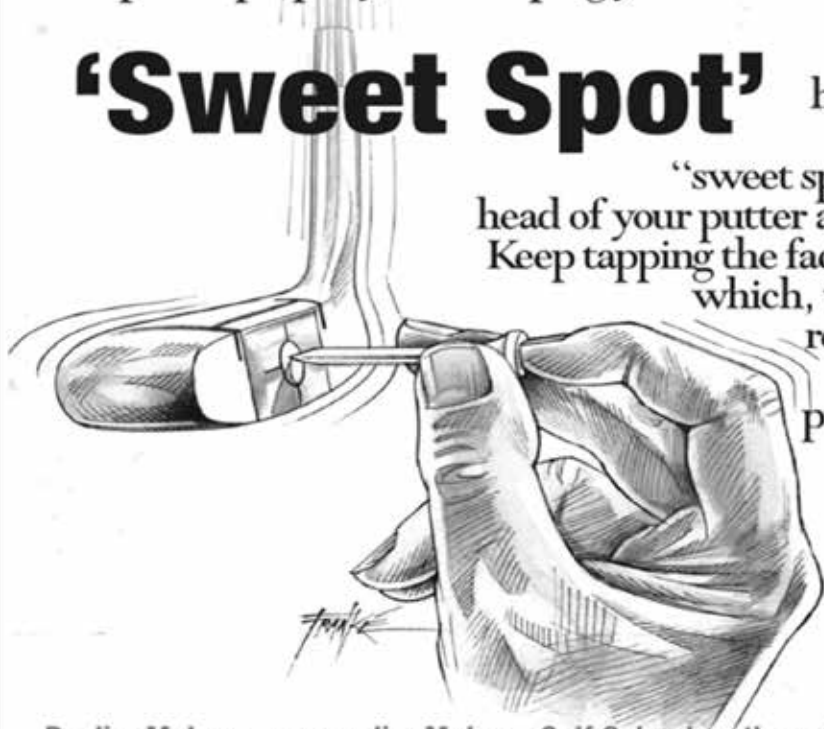

## MASTER STROKES

BY PHIL FRANKE WITH TOP 100 GOLF INSTRUCTORS

How's your putting been? If you feel like most golfers, you feel a need to improve it. You might consider getting better at "reading the green," aligning the putter properly, and keeping your stroke on-line. All very important,

### 'Sweet Spot'

but don't forget the most important element of all: hitting the putt as solidly as possible on the putter's "sweet spot." Let's test, hold up the head of your putter and tap the face with a tee. Keep tapping the face until you find the spot at which, when you hit it, the putter rebounds with no vibration or twist at all. This is the putter's sweet spot, and this is where you should strive to make contact on every putt. If you can do this, you'll get the truest roll, along with better putting results.

## Tuscan Style Pork Roast

An herbaceous pancetta stuffed pork roast with a crispy exterior. Finished with a lemon vinaigrette.

**Prep time:** 30 minutes

**Cook time:** 2 hours

**Servings:** 6-8 people

### Equipment

Food processor  
Fine mesh strainer  
Cast iron skillet  
Butchers twine

### Ingredients

1 pork Roast  
2-3 Tbsp fresh rosemary  
8 cloves garlic, minced  
1/3 cup high quality olive oil  
1 lemon  
4 oz pancetta or bacon  
1 tsp fresh parsley

### Directions

Preheat oven to 275°F (135°C)

Butterfly the roast by cutting into three parts by cutting into the side starting a third of the way up the roast. When you get to the end of the roast open it up and repeat for the remaining roast. You're opening it up like a pamphlet. Refer to the video linked above if you're confused.

Cover with plastic wrap and beat with meat mallet to pound the pork to an even levelness.

Mince garlic cloves(8) with the rosemary(2 Tbsp). Place into a cold pan with olive oil(1/3 cup) and zest of lemon(1). Keep lemon for later.

Bring to slow simmer on medium low heat for 2-3 minutes. Strain the herbs making sure to squeeze all excess oil. Reserve oil for later.

Add pancetta/bacon(4 oz) to food processor. Pulse a few times before adding the garlic/rosemary mixture. Process until a smooth paste forms.

Salt and pepper both sides of the roast before placing the roast fat side down and spreading the paste over the roast leaving about a 2 inch gap on one side.

Roll tightly towards the 2 inch gap and use butchers twine to secure the roll. Place a knot every inch or so.

Bake at 275°F (135°C) for 2 hours or until internal temperature reads 135°F (57°C) in the thickest part.

Add olive oil to cast iron skillet and heat on high until ripping hot. Cut remaining lemon in half. Brown all sides of pork roast and lemon using tongs.

Juice the lemon into the remaining oil from the garlic/rosemary herb spread. Add freshly chopped parsley. Whisk with fork until emulsified. Season with salt and pepper.

Slice roast into 1/2 inch thick slices and top with lemon herb vinaigrette.
