Morning Giggle

The other day, Nancy and I got into a petty argument. (I say it was petty. She would have said it was Armageddon.) As is our nature, neither of us would admit the possibility that we might be in error.

To her credit, Nancy finally said, "Look. I'll tell you what. I'll admit I'm wrong if you admit I was right."

"Fine," I said.

She took a deep breath, looked me in the eye and said, "I'm wrong."

I grinned and replied, "You're right."

Collaborating with others could be profitable for you.
Choose your team wisely.

Make self-care a must today. Prioritize your needs.

Pay attention to any creative urges or insights that you get. You could be on to something good.

Take some time to get clear on what you want so that you can determine the best strategy to achieve it.

It's a great day for business meetings, negotiations or marketing yourself. You'll know exactly what to say to get the right results.

Investing in yourself and your dreams proves that there's value in doing both.

You can attract or magnetize whatever it is that you need thanks to your natural charm.

A gift or form of help arrives when you least expect it.

Seek out opportunities to help others and better your community. You'll find it rewarding.

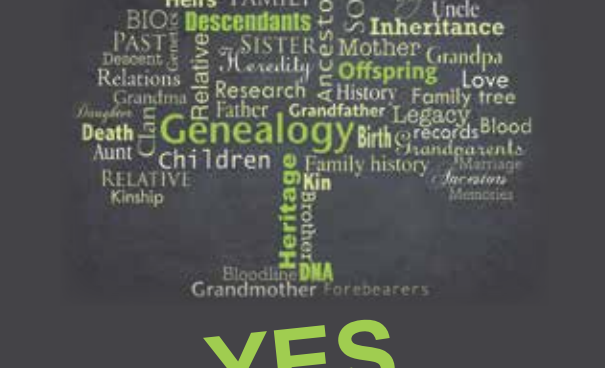

Your authenticity and ingenuity are what will help you to stand out from the crowd.

Create time to escape the hustle and grind. Seek out a change of scenery.

It might be time to clear the air or have a heart-to-heart talk with someone. Things may not be able to change or improve if you don't act or say something.

You possess an emotional depth and fortitude that others admire. Your magnetism is powerful. You know what moves people, and you often do it through your words and actions. You can be tender and empathetic -- or forceful and uncompromising. Whatever you do, you're always going to give it your all. You may be slow to open up to others out of a need to protect yourself, but finding strength through vulnerability is one of your biggest lessons in life. This year, as home and family are in the spotlight, make sure to save some time and energy to pour back into yourself.

Celebrating Life

An integral part of planning a funeral is the place the funeral service will be held. Some of the important considerations include convenience, accessibility, size and amenities.

The Weber Funeral Home chapel and multipurpose reception facility provides the ability to have a ceremony that is tailored to each individual person. Whether formal or casual, religious or non-religious our funeral home can accommodate any need.
