Morning Giggle

A local laboratory employed a licensed boat captain to man its research vessel. Reportedly, the captain couldn't swim. A newcomer, learning of this, approached him about it.

"Is it true?" the newcomer asked incredulously. "You, a boat captain, can't swim?"

"No, I can't," the captain replied. "Can pilots fly?"

Your Horoscope

by Mecca Woods

ARIES (March 21 to April 19)

Sticking to a self-care routine, even if it's just once a week or a few minutes a day, can make a big difference for your overall well-being.

TAURUS (April 20 to May 20)

The stars are aligning for you in love and romance! Open your heart.

GEMINI (May 21 to June 20)

Being with close friends and family might be just what your soul needs.

CANCER (June 21 to July 22)

Is there anything fun happening in your city or neighborhood? Why not go out and explore?

LEO (July 23 to Aug. 22)

Getting enough rest isn't the only way to replenish your reserves. Staying hydrated and nourished helps, too.

VIRGO (Aug. 23 to Sept. 22)

Be kind to yourself. Don't let self-doubt overtake self-love.

LIBRA (Sept. 23 to Oct. 22)

You may be used to being socially active, but today calls for quiet time with yourself.

SCORPIO (Oct. 23 to Nov. 21)

A friend may extend an invite to join them at a gathering or celebration. Take them up on the offer!

SAGITTARIUS (Nov. 22 to Dec. 21)

Hard work and dedication pay off, especially if you're trying to make a lasting impression.

CAPRICORN (Dec. 22 to Jan. 19)

A weekend getaway or a day that is filled with fun and adventure could help bring you closer to someone you love.

AQUARIUS (Jan. 20 to Feb. 18)

Be brave enough to let people know what you need, and they'll show up for you.

PISCES (Feb. 19 to March 20)

Collaborating with others can be both profitable and rewarding!

FOR TODAY'S BIRTHDAY

You're warmhearted and selfless. However, being clear on your boundaries can help you avoid overextending yourself or being taken for granted. When it comes to your personal growth or success, you do best when you're guided by your ideals and aspirations. You have a way of turning what you touch into gold, thanks to how clever and resourceful you are. Your magnetism and charm enable you to attract what you want with ease. This year, your mindset will influence the kind of people and opportunities that show up. It may be time to change the way you think.

BIRTHDATE OF: David Hasselhoff, actor/singer; Kali Uchis, singer-songwriter; OG Anunoby, professional basketball player.

Today's Tip

MASTER STROKES

BY PHIL FRANKE WITH TOP 100 GOLF INSTRUCTORS

Like building a sturdy house, your set-up is critical for you to hit consistently good iron shots. Here are the keys to a solid set-up and posture:

1. Align your clubface squarely to the target, with shoulders, hips, knees, and feet parallel to your target line. **2.** Position the ball, slightly ahead of stance-center, with your hands set **1 to 2** inches ahead of the ball. This sets you up to deliver a slightly descending blow that adds backspin and control to your shots. **3.** Develop a balanced posture, arms hanging naturally, with your weight between the balls and heels of your feet. This puts you in a position to make a good turn without any extraneous movement, so you can deliver the clubface consistently back squarely at impact.

Why a Funeral?

Funeral ceremonies can make a significant difference in how families channel their grief towards health and healing. During the funeral, the community comes together and responds to the reality that someone has died, and also to the reality that those remaining will need support, compassion, love, hope and understanding.

Our dedicated and experienced staff are here to help you in planning and carrying out a meaningful funeral that is unique to your families needs and values. Our funeral directors are intimately familiar with the funeral planning process, and key decisions a grieving family must make during this difficult time.
