Camrose Police Service Monthly Crime Report - May 2025

Eight Crime Indicators May 2025

Number of Occurrences for these 8 Crime Types

January46February51March95

April71May94

Crime Statistics Report Summary:

The combined total of the eight crime indicators showed a seasonal increase of 32% in May 2025, with 23 additional reported incidents compared to April. Despite this rise, the total of 92 occurrences remains slightly below the five-year average of 95 for the month of May.

In May 2025, the Break & Enter category doubled compared to April. A review revealed a crime pattern between May 12–19, during which four garage doors were left open overnight, leading to the theft of tools, copper wire and a bicycle. Additionally, in four of the reported occurrences, the suspect was known to the victim and entered the home to retrieve what they claimed was their own property. Notably, three Break & Enter incidents also involved the theft of a motor vehicle, which contributed to the increase in the Theft of Motor Vehicle category.

Mischief incidents also rose in May, with two of the reports directly linked to Break & Enter occurrences.

The Assault category experienced an increase as well. A closer review found that nine incidents involved familial or intimate partner violence, including four incidents involving one family and two incidents involving another, highlighting recurring familial conflict as a significant factor in these statistics.

Morning Giggle

A college physics professor was explaining a particularly complicated concept to his class when a pre-med student interrupted him. "Why do we have to learn this stuff?" one young man blurted out.

"To save lives," the professor responded.

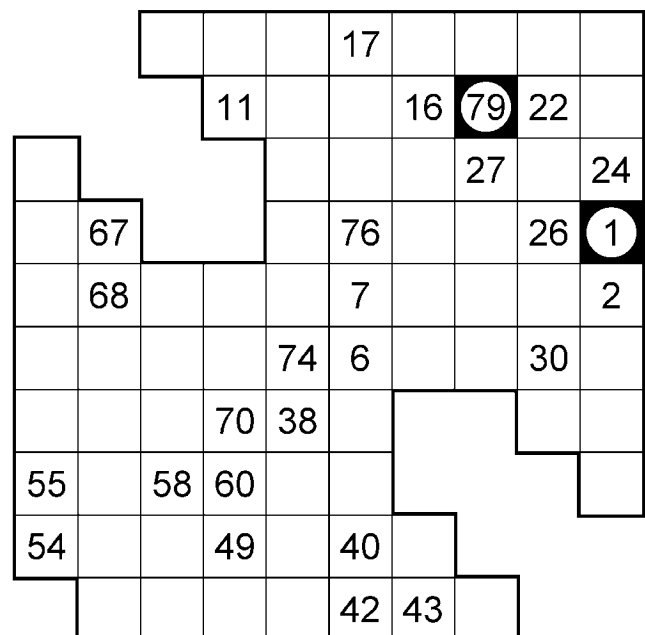

A few minutes later the student spoke up again. "So how does physics save lives?"

The professor stared at the student for a long time without saying a word. Finally, the professor continued, "Physics saves lives because it keeps certain people out of medical school."

Your Horoscope

by Mecca Woods

ARIES (March 21 to April 19)

The day calls for you to get down to serious business. The hard work you put in now will pay off in the future.

TAURUS (April 20 to May 20)

Seek people, places or opportunities that enrich your mind and your life.

GEMINI (May 21 to June 20)

You may feel a bit withdrawn today. There are times when it's necessary to step away from the noise and the crowds so that you can reflect and refill your cup.

CANCER (June 21 to July 22)

You may have a lot of responsibility on your shoulders. Partner with people who can help lighten the load.

LEO (July 23 to Aug. 22)

Patience and dedication are needed to turn something you envision into something real.

VIRGO (Aug. 23 to Sept. 22)

Don't be afraid of rejection. Your authenticity will be appreciated.

LIBRA (Sept. 23 to Oct. 22)

If you need to make any decisions of significance or importance today, trust your gut.

SCORPIO (Oct. 23 to Nov. 21)

Expect a busy day ahead. This should be ideal for you if there's much you want to get done.

SAGITTARIUS (Nov. 22 to Dec. 21)

Care and moderation are needed now. You can't always throw caution to the wind.

CAPRICORN (Dec. 22 to Jan. 19)

Be kind to yourself. Nourish your body. Pay attention to the wisdom of your heart.

AQUARIUS (Jan. 20 to Feb. 18)

Your bandwidth may be running low. It might be helpful to keep your schedule or to-do list as light as possible.

PISCES (Feb. 19 to March 20)

Investing time and energy into projects, passions or relationships that you care about is a good reminder that these things are worth pursuing.

FOR TODAY'S BIRTHDAY

You're not the type of person who mindlessly follows what others do or say. You have your own way of thinking. You're not afraid to question authority or the rules. You possess a tremendous amount of originality, and you have the charisma to back it up. You don't allow yourself to get too hung up on the past. You would much rather focus on the future. You value your friendships, and you may have one or two close friends who feel more like family. This year, you may find yourself in need of a sabbatical or more time to yourself. Find sanctuary in solitude.

BIRTHDATE OF: Chris Evans, actor; Aaron Taylor-Johnson, actor; Kat Dennings, actress.

THE MORNING BITE the kitchn

My cheesy spaghetti casserole is the one meal the whole family loves

Christine Gallary, TheKitchn.com

Chicken spaghetti is a uniquely American dish in the lineup of classic comforting casseroles. With tender noodles and shredded chicken baked in a creamy, cheesy sauce, it's historically made with canned cream soups and some kind of vegetable like tomatoes or bell peppers. My version delivers the same comforting flavors but with no canned cream soups, though it still has the defining hallmark of breaking up the spaghetti into small pieces before it's cooked. Chicken spaghetti is a great way to use up leftover rotisserie chicken or even cooked roasted turkey should you find yourself looking for a new way to eat poultry.

Why you'll love it

It's baked in the pot the sauce is made in. Since the sauce is made in a Dutch oven, once the pasta and chicken is stirred in, you can transfer the whole thing into the oven for baking.

The sauce is creamy, but not heavy. The cheese sauce is made in the same way as for mac and cheese, but chicken broth replaces some of the milk to make it lighter yet still flavorful and creamy.

Key ingredients in chicken spaghetti

Spaghetti: This recipe uses up a whole pound of dried spaghetti.

Chicken: You'll need a pound of shredded, cooked chicken.

Diced tomatoes: Canned tomatoes add a little bit of freshness to the spaghetti and a bright pop of color.

Sharp cheddar cheese: This is the best cheese for the creamy sauce, and it adds just the right amount of mild cheese-y flavor. While white cheddar is traditionally used in chicken spaghetti, you can use yellow instead.

Helpful swaps

If you don't have an oven-safe pot, make the casserole through Step 5, then transfer to a 9-by-13-inch baking dish. Proceed with Step 6.

Although less sweet in flavor, a green bell pepper can be substituted for a red one.

If you'd like a spicier kick, use one (10-ounce) can of spicy diced tomatoes and green chiles.

What to serve with chicken spaghetti

Buttery Green Beans

Arugula Beet Salad

Sauteed Broccoli

Garlic Marinated Zucchini

Jersey Salad

Chicken Spaghetti (Serves 6 to 8)

1 (14.5-ounce) can diced tomatoes, or 1 (10-ounce) can diced tomatoes with green chiles

1 pound dried spaghetti

4 tablespoons (1/2 stick) unsalted butter

1 medium yellow onion, diced (about 1 1/2 cups)

2 1/2 teaspoons kosher salt, plus more for the pasta water and seasoning

1 medium red bell pepper, diced (about 1 cup)

THE MORNING BITE

3 cloves garlic, minced
1/4 cup all-purpose flour
2 cups whole or 2% milk
1 cup low-sodium chicken broth
1 pound shredded, cooked chicken (about 3 cups)
12 ounces sharp cheddar cheese, shredded (about 3 cups)
Freshly ground black pepper
Chopped fresh parsley leaves or chives, for garnish (optional)

1. Bring a large pot of heavily salted water to a boil over high heat. Meanwhile, heat the oven to 375 F. Drain one (14.5-ounce) can diced tomatoes in a heatproof colander in the sink and let sit in the colander (no need to rinse).
2. Break 1 pound dried spaghetti into thirds with your hands and add to the boiling water. Cook until al dente, 8 to 9 minutes. Drain in the same colander over the tomatoes. While the spaghetti is cooking, start the sauce.
3. Melt 4 tablespoons unsalted butter in a large Dutch oven or oven-safe pot over medium heat. Add 1 diced medium yellow onion, season with 1/2 teaspoon of the kosher salt, and cook until softened, 5 to 6 minutes. Stir in 1 diced medium red bell pepper and 3 minced garlic cloves and cook until the garlic is fragrant, about 1 minute.
4. Stir in 1/4 cup all-purpose flour and cook, stirring often, until the flour films the bottom of the pot, 1 to 2 minutes. Increase the heat to medium-high. Stir in 2 cups whole milk, 1 cup low-sodium chicken broth, and the remaining 2 teaspoons kosher salt until smooth. Cook, stirring frequently and scraping the bottom of the pot, until it comes to a boil, about 4 minutes. Turn off the heat.
5. Stir the tomatoes and spaghetti, 1 pound shredded, cooked chicken, and 8 ounces of the shredded sharp cheddar cheese (2 cups) into the sauce until evenly combined and the cheese until melted. Taste and season with kosher salt and black pepper as needed.
6. Sprinkle remaining 4 ounces shredded cheddar (1 cup) evenly over the top. Transfer the pot to the oven and bake until bubbling, about 20 minutes. For a browned top, turn the oven on to broil and broil until the cheese is browned in spots, 3 to 6 minutes. Let cool for 5 minutes before serving. Garnish with chopped fresh parsley leaves or chives if desired.

Recipe notes

Baking dish: If you don't have an oven-safe pot, make the casserole through Step 5, then transfer to a 9x13-inch baking dish. Proceed with Step 6.

Make ahead: Assemble the whole casserole but do not bake. Let cool, then cover and refrigerate for up to one day. Let the casserole sit out at room temperature while the oven heats. Bake uncovered according to directions, adding 10 to 15 minutes to the bake time.

Storage: Leftovers can be refrigerated in an airtight container for up to four days.
