Morning Giggle

My wife still uses curlers in her hair after she washes it. She came into the Family Room as I was watching TV. I guess I stared at her funny because she said, "I just set my hair."

The last thing I remember saying was, "Oh, really? And what time does it go off?"

Your Horoscope

by Mecca Woods

ARIES (March 21 to April 19)

If you're looking for love, you could meet someone new through a friend or a social event. If you're in a committed connection, a little fun and spontaneity will benefit you both!

TAURUS (April 20 to May 20)

You've probably been very busy. Today encourages you to spend some quality time with your family.

GEMINI (May 21 to June 20)

Use today for networking and relationship-building. It's a perfect day to host or attend a gathering, either online or in person.

CANCER (June 21 to July 22)

The first step in getting the money or opportunity you want is recognizing that you're worth it. Don't settle.

LEO (July 23 to Aug. 22)

Your charismatic personality enables you to effortlessly draw people into your orbit. That being said, pay no mind to the haters!

VIRGO (Aug. 23 to Sept. 22)

Taking time out for yourself will help you shore up the energy you need to take care of everything else.

LIBRA (Sept. 23 to Oct. 22)

Go toward the people you don't have to self-edit with. Genuine friends will appreciate your authenticity.

SCORPIO (Oct. 23 to Nov. 21)

Don't let the fear of rejection prevent you from going after the opportunity you want or acknowledging your achievements.

SAGITTARIUS (Nov. 22 to Dec. 21)

Today is useful for promoting your work, as well as investing time and energy in projects that help to enrich your life.

CAPRICORN (Dec. 22 to Jan. 19)

Try to be more open to receiving help or support from others. It's OK to need people sometimes.

AQUARIUS (Jan. 20 to Feb. 18)

Don't be so inflexible. Finding a happy compromise can benefit you, whether it's with a business connection or a more emotional bond.

PISCES (Feb. 19 to March 20)

This can be a great time to implement a new work or wellness routine to better manage your day-to-day life.

FOR TODAY'S BIRTHDAY

You might think of yourself as a rebel. You challenge norms and never try to copy what others do; you would rather go your own way. You're fearless when standing up for others and your principles. While you don't want to lead a boring life, there are times when even you can stick too closely to what feels familiar. Challenging yourself to embrace change can help you to flourish and grow. This year, get curious about the world around you. You might make some amazing discoveries about yourself and your passions.

Senior Tip

MASTER STROKES

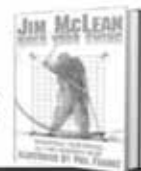

BY PHIL FRANKE WITH TOP 100 GOLF INSTRUCTORS

Be 'Levelheaded!'

We see way too many amateur and senior golfers allow their head to bob up and down during the swing. This will cause “topped” or “fat” shots, depending on the head’s position at impact. To check if your head stays level, set up in your stance with your pal standing behind you and have them hold a club parallel to the ground with the grip end resting very lightly atop your head. Now, hit a shot while your friend holds the club steady. If you lose contact with the club, you know your head bobbed down, and your friend can tell you if your head pushes the club up. Hit practice shots with the club acting as a “governor” to help you get the feel of a level head during a swing. Consistent shots will follow.

Celebrating Life

An integral part of planning a funeral is the place the funeral service will be held. Some of the important considerations include convenience, accessibility, size and amenities.

The Weber Funeral Home chapel and multipurpose reception facility provides the ability to have a ceremony that is tailored to each individual person. Whether formal or casual, religious or non-religious our funeral home can accommodate any need.
