# Your Horoscope

by Mecca Woods

## ARIES (March 21 to April 19)

The morning can be useful for brainstorming ideas, while the rest of the day is best for putting some of these ideas into action.

## TAURUS (April 20 to May 20)

When it comes to making important financial decisions, try to go with your gut.

## GEMINI (May 21 to June 20)

If you're feeling moody or restless, seek out ways that can help you find calm.

## CANCER (June 21 to July 22)

Don't feel pressured to make a big decision right now. Give yourself some time to think on it.

## LEO (July 23 to Aug. 22)

The morning is best for meetings and working alongside others. By the afternoon, you'll be craving some space.

## VIRGO (Aug. 23 to Sept. 22)

Your usual way of doing things might not be working anymore. Go back to the drawing board and come up with some fresh ideas.

## LIBRA (Sept. 23 to Oct. 22)

Carve out time that is solely for you. If you have a little extra cash, why not pamper yourself a little?

## SCORPIO (Oct. 23 to Nov. 21)

Don't be so quick to write someone off. They may surprise you.

## SAGITTARIUS (Nov. 22 to Dec. 21)

Things could get a little rocky with someone. Be patient. The mood will pass.

## CAPRICORN (Dec. 22 to Jan. 19)

Step outside of your comfort zone by doing something that you usually wouldn't do. Find a friend to accompany you, if necessary.

## AQUARIUS (Jan. 20 to Feb. 18)

Let people see the real you. Try not to bottle up or minimize how you truly feel.

## PISCES (Feb. 19 to March 20)

You may need to put a little distance between you and someone else. It'll be best for both of you in the long run.

## FOR TODAY'S BIRTHDAY

You can be carefree, but you're not a fly-by-night person. You're someone of substance who likes to enjoy what life has to offer. You put a lot of care into your relationships with others, no matter if they're professional or personal. However, you may need to be mindful of maintaining one-sided connections. You need people in your life who are just as reliable and caring as you. This year, family is a big theme for you. Who are the people who make you feel most at home? Who are the people you can count on when things don't go as planned? Keep these people close.

**BIRTHDATE OF:** Zoe Saldana, actress; Paula Abdul, dancer/singer; Phylicia Rashad, actress/director.

Today's Tip

# MASTER STROKES

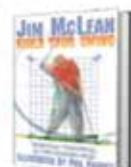

BY PHIL FRANKE WITH TOP 100 GOLF INSTRUCTORS

## Fairway Focus!

**Distance, distance, distance.** Too many golfers are concerned with how far they hit their drives. How about **fairways, fairways, fairways?** Focusing on fairways hit will produce better results. In your last few rounds, how many of your tee shots finished in the fairway? If you average 9 fairways or less, you've identified an area of your game that needs work. If you average 6 or fewer fairways hit, it's a must to improve your driving accuracy. You'll hit many more greens in regulation if you hit more approach shots from the fairway. So, focus on hitting more fairways rather than focusing on distance. Swing your driver with more control or tee off with a shorter club if necessary. You'll shoot your best scores.

**GIBSON, Ruth Ellen 1969 - 2026**

With heavy hearts, we announce that Ruth passed away peacefully, early Friday morning, June 12, 2026 at Sagebrush in Wetaskiwin, at the age of 56 years.

Ruth Ellen Gibson was born September 5th, 1969 in Grand Forks BC at the Boundary Hospital. She was the middle child of three girls to Margaret and David Gibson. The family moved to Holden, AB to take over the farm in 1980. She went to Holden School and graduated from Ryley High in 1987. She chose to become a legal secretary and attended Lakeland College for their 1 year certificate program. She started working for Andreassen Olson not long before a life changing motor vehicle accident left her with a disability in 1988.

She married in 1995 and along came her children Jasmyn, Jared and Joel. Ruth enjoyed farm life: gardening, picking dandelions, bidding on animals at auctions, touring people around in the golf cart with her dog Gina, serving coffee, playing cards. She loved good ol' country and rock music, laughing with friends and family, and her Faith brought her through many difficult situations. When she moved to town, she found freedom with her motorized chair. She loved to shop and support local businesses, her favourite being thrift shops.

Though Ruth had her challenges, she was a very bright light in the world and impacted everyone she met. She would go out of her way to talk to anyone, even strangers and share her story. She would surprise people with her great sense of humour and lived for a good laugh.

She is lovingly remembered by her children, Jasmyn (Dilan), Jared, and Joel; granddaughter, Apryl; mother, Margaret; sisters, Lana and Kathy (Shaune) as well as her nieces, nephews, and cousins. She was predeceased by her father, David Gibson and her grandparents, Adrian and Helen Molhoek.

The celebration of life will be held Saturday June 20<sup>th</sup>, 2026 at 1:00pm at the Holden Hall.

Memorial Donations may be made to Vang Lutheran Church or a charity of one's choice.

## Personalized Memorials

### *Your Story in Stone*

A cemetery provides an important function in our society. It is a sacred ground that has been dedicated for the purpose of perpetually providing a safe area for the placement of the earthly remains.

The purpose of the memorial is to identify the person who was laid to rest in a grave plot or in a columbarium niche. However, it also provides an opportunity beyond this basic function, the monument can tell a story through the design. If a picture can say a thousand words, the same is true of a monuments design.

We encourage careful consideration when choosing a monument. It is something you do not want to rush and you want to ensure that the quality of the memorial is something that will last forever. This is why we suggest granite as the material of choice for memorials. Granite is the hardest form of rock after diamond. Similar to diamonds, there are different grades of granite. Softer grades of granite, concrete products or fieldstones that require paint to be applied to the lettering or design elements should be avoided

Weber Funeral Home is an authorized monument and columbarium engraving provider for the Camrose Valleyview Cemetery and rural cemeteries. We provide granite that will stand the test of time. We have broad selection of colours, shapes, cuts and sizes. We also have a rendering process so that you can see a visual representation of what your monument will look like before it is ordered.

For appointments and inquiries please contact our office by phone or email. We will gladly meet with you at our office or we can come to you at your home.
