# Morning Giggle

As my wife and I were sitting on the front porch, our oldest daughter, Amy, came out of the house looking discouraged. It seems all her classmates knew their life's calling, but she didn't have a clue as to her own. "I don't know where to go to college," she moaned.

"And even if I did, my grades probably aren't good enough."

Her mother and I were searching for the right words of reassurance when Amy suddenly smiled. "Golly," she said, "I'm having a pre-life crisis!"

Don't be afraid to depend on others. You need people, too.

**LIBRA (Sept. 23 to Oct. 22)**

Maintaining good boundaries will help you know which relationships are made to last and which connections are flimsy.

**SCORPIO (Oct. 23 to Nov. 21)**

Pace yourself. Not everything needs to be done in one day.

**SAGITTARIUS (Nov. 22 to Dec. 21)**

Joy is a practice -- not a given. To make sure that you're getting enough of it, you must carve out the time for it.

**CAPRICORN (Dec. 22 to Jan. 19)**

Trust yourself. Your inner wisdom will guide you during times of confusion.

**AQUARIUS (Jan. 20 to Feb. 18)**

Taking a one-day-at-a-time approach to your life or work will help to reduce stress.

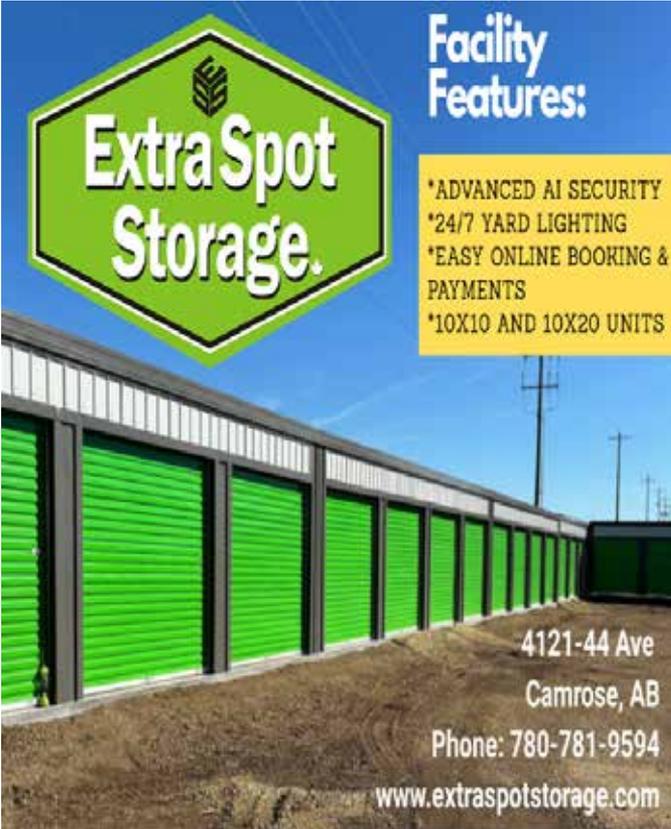

**PISCES (Feb. 19 to March 20)**

Don't settle. Hold out for what you really want. It'll be worth it in the end.

**FOR TODAY'S BIRTHDAY**

You might often feel like you don't quite fit in with everyone else. This is because of your ability to go beyond superficiality and niceties. You have an appreciation for deep conversations and intimate connections. However, you don't force them to happen. Your natural magnetism and genuine empathy tend to make people want to open up to you. This is why having boundaries is so important; otherwise, you can end up unintentionally taking on people's problems or absorbing their energy. This year, the focus is all on you. Take every opportunity you can to fall back in love with yourself.

Kassandra and Victoria Sellin were both born and raised in Camrose, Alberta, and went on to earn Bachelor of Commerce degrees with majors in Accounting from MacEwan University. After graduating from university, Victoria worked in human resources, where she developed a strong ability to understand individual needs and priorities. Kassandra spent several years in public accounting, cultivating strong analytical and problem-solving abilities as well as a keen eye for detail. With strong foundations in business and finance, they bring a thoughtful, detail-oriented approach to real estate. Growing up in a family of business-owners instilled in them a deep appreciation for entrepreneurship, hard work, and client-focused service. These values, combined with their passion for helping people achieve their goals, naturally led them to a career in real estate. Kassandra and Victoria hold Residential, Rural, and Commercial real estate licenses, allowing them to serve a wide range of clients and property types. Working alongside their father, Otto Sellin, is especially meaningful to them, as it allows them to combine experience, trust, and shared values to deliver exceptional results in their new team, the **Sellin Realty Group**.
