Morning Giggle

Having been married ten years and still living in an apartment, the wife would often complain about anything, as she was tired of saving every penny to buy a "dream home."

Trying to placate her, the husband found a new apartment within their budget. However, after the first week, she began complaining again.

"Joel," she said, "I don't like this place at all. There are no curtains in the bathroom. The neighbors can see me every time I take a bath."

"Don't worry," replied her husband. "If the neighbors do see you, they'll buy curtains."

ARIES (March 21 to April 19)

Avoid using shopping or anything else that may not be good for you as a cure for a bad mood. The cranky vibes will soon pass.

TAURUS (April 20 to May 20)

Try not to ruminate on the past or on missed opportunities. Can you find a way to be grateful for what you have or where you are now?

GEMINI (May 21 to June 20)

If you're unhappy with what's happening in the world around you, think about ways you can get involved in your community.

CANCER (June 21 to July 22)

You can't make everyone happy all the time. Just be yourself, and the right folks will show up.

LEO (July 23 to Aug. 22)

Try not to stress or worry too much. Instead, focus on what you can control and trust that the rest will work itself out.

VIRGO (Aug. 23 to Sept. 22)

You may be all "peopled out" today. Distance yourself from the crowd and go somewhere that can provide you with a moment of tranquility.

LIBRA (Sept. 23 to Oct. 22)

Be clear on what your boundaries are so you don't end up signing on for more than you bargained for or promising more than you can deliver.

SCORPIO (Oct. 23 to Nov. 21)

There's much that you can handle or accomplish on your own, but today may not be the day for it.

SAGITTARIUS (Nov. 22 to Dec. 21)

Be pragmatic with your decision-making. Don't just throw caution to the wind.

CAPRICORN (Dec. 22 to Jan. 19)

Let some love into your heart. Open up and be vulnerable.

AQUARIUS (Jan. 20 to Feb. 18)

Be choosy about the agreements you make and the commitments you take on.

PISCES (Feb. 19 to March 20)

Open and honest communication is the quickest way to get something you want.

FOR TODAY'S BIRTHDAY

You're insightful and intuitive. You don't rush into anything; you prefer to assess each possible outcome. You make sure you gather the facts. This kind of thoughtfulness ensures that you make the best decisions for yourself and those you love. You're loyal, devoted and caring, and you work hard to keep the people you care about safe and happy. You're always eager to learn as much as you can, and you may even enjoy teaching or coaching others. This year, focus on building or rebuilding a creative life for yourself. It will bring you much fulfillment.

BIRTHDATE OF

Wes Anderson, filmmaker; Tim McGraw, country singer; Jamie Dornan, actor.

THE MORNING BITE the kitchn

This quick, homemade breakfast treat is perfect for a Mother's Day brunch

Kelli Foster, TheKitchn.com

When it comes to breakfast treats, nothing compares to warm cinnamon rolls filled with swirls of brown sugar and blanketed with a slick of icing. Unlike the classic yeasted rolls, this version starts with buttery, flaky store-bought puff pastry.

They have all the qualities of a great cinnamon roll — the barely sweetened buttery dough, the sticky brown sugar and cinnamon swirl, the sweet icing over top — but they come together in just 30 minutes.

Quick tip

Before sprinkling the cinnamon and brown sugar over the thawed sheet of puff pastry, be sure to brush the surface with a thin layer of lightly beaten egg. This small but important step will ensure that the cinnamon and sugar stick to the dough and don't fall off when rolling or cutting the rolls.

Puff Pastry Cinnamon Rolls (Makes 16)

2 sheets puff pastry from a 17-ounce box, thawed but still cold
1 large egg
All-purpose flour
6 tablespoons packed light or dark brown sugar, divided
2 teaspoons ground cinnamon, divided
1/4 cup powdered sugar
1 to 2 teaspoons milk
1/2 teaspoon vanilla extract

1. Thaw two sheets puff pastry according to package directions if needed. Arrange a rack in the middle of the oven and heat the oven to 400 F. Line a baking sheet with parchment paper.

2. Beat one large egg to break it up. Lightly flour a work surface, and unfold one sheet puff pastry on it. Brush the pastry with a thin layer of the egg. Sprinkle with 3 tablespoons packed light or dark brown sugar and 1 teaspoon ground cinnamon.

3. Starting at a long side, tightly roll up the puff pastry. Use your fingers to tightly press and seal the seam. Cut crosswise into eight pieces. Place on one half of the baking sheet cut-side up, spacing them evenly apart. Repeat filling, rolling, and cutting the second sheet of puff pastry. Brush all the cinnamon rolls with the remaining egg wash.

4. Bake until puffed and lightly browned, 20 to 25 minutes. Transfer to a wire rack and cool completely.

5. Place 1/4 cup powdered sugar, 1 to 2 teaspoons milk, and 1/2 teaspoon vanilla extract in a small bowl and whisk until smooth. Drizzle over the cooled cinnamon rolls.

Recipe note: Leftovers can be stored in an airtight container at room temperature up to three days.

Let us guide you in choosing the right monument for your loved one...

- Monuments help families who have lost a loved one through the difficult transition period by providing them with a tangible link between the past, the present, and the future.
- Monuments can also tell the story of the deceased. You can have custom images put on the monument that can show what your loved one enjoyed, a glimpse into who they were.

- Monuments provide families a place where they can go, to reflect on the memories of their loved one, and on the moments they spent with them.
