## Replacing your doors is easy as 1-2-3

- 2) In Windsor's Door Shop, we will measure the exact spots for hinges and door knob using your old door as a template. A little drilling and mortising and you're on your way!
- 3) Install your hinges and door knob in the pre-drilled spots. Hang your door in place and you're done. Easy!

*Machine to match your old door in our own shop! Don't tear out that old Door Jamb! If your door jamb is in good condition and square, why change it! We will mortise the hinge and drill holes for the lock set to match your old door. Custom sizing available.*

CAMROSE WALKING TRAIL CONNECTION

# Morning Giggle

Joe, the Governor's most trusted assistant, died in his sleep one night. The Governor had depended on Joe for advice on every subject, from pending bills to wardrobe decisions. In addition, Joe had been his closest friend.

So, it was understandable that the Governor didn't take kindly to the droves of ambitious office seekers who wanted Joe's job. "They don't even have the decency to wait until the man is buried," the Governor muttered.

At the funeral, one eager beaver made his way to the Governor's side. "Governor," the man said, "is there a chance that I could take Joe's place?"

"Certainly," the governor replied. "But you'd better hurry. I think the undertaker is almost finished."

Hi, I'm Eric Buchfink,  
the founder of Mattress Mattress®

I've been in the mattress industry since 1970, and I haven't seen Global price increases like what's coming.

- Steel costs are up.
- Foam costs are rising.
- Freight costs are climbing.

And mattress manufacturers across Canada have announced price increases ranging from 3% to 18%. Most take effect June 1 st .

So, here's what we're doing at Mattress Mattress®. Instead of quietly changing price tags overnight, if you need better sleep, visit us before the **June 1st deadline** to lock in our current pricing.

**Even if you don't buy from us,**  
come get your **Beducation®**.

We'll show you today's sleep technologies that can help with:

- Back And Pressure Point Pain Relief
- Motion Transfer Causing Sleep Interruptions
- Hot And Cold Sleep Temperature Issues

When you understand mattresses better,  
you'll make a better buying decision.

We know mattresses®...  
and after a **Beducation®** you will too!

# Your Horoscope

by Mecca Woods

## ARIES (March 21 to April 19)

You may feel the urge to pull back from your social life. Sometimes you just need a little time for yourself.

## TAURUS (April 20 to May 20)

Today can be useful for meeting and connecting with people, especially if you need to make amends or come to a joint decision.

## GEMINI (May 21 to June 20)

Use today for managing money matters. You might end up with some extra cash or the outcome that you've been looking for.

## CANCER (June 21 to July 22)

Exuding confidence and positivity will enable you to attract good things, like a new opportunity or romance.

## LEO (July 23 to Aug. 22)

Trust what your gut is telling you right now. Your intuition is spot-on.

## VIRGO (Aug. 23 to Sept. 22)

If you need to get the word out about something you're doing or creating, now's the time to promote it. Meanwhile, it will be a great evening for socializing.

## LIBRA (Sept. 23 to Oct. 22)

You'll find the day helpful for advancing your career or your financial goals.

## SCORPIO (Oct. 23 to Nov. 21)

You won't know if something will work out unless you try. Give it a go! You might be pleasantly surprised.

## SAGITTARIUS (Nov. 22 to Dec. 21)

Don't be in such a rush to go through the motions of life. Slow down. Take a beat.

## CAPRICORN (Dec. 22 to Jan. 19)

Make time for a friend. Plan out an activity or an experience that the two of you can do together.

## AQUARIUS (Jan. 20 to Feb. 18)

Expect success with a plan or project that you've got in the works.

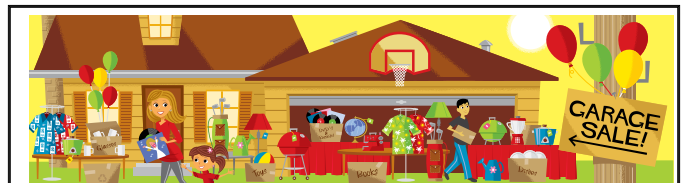

## PISCES (Feb. 19 to March 20)

Engage with learning and creativity! You might discover a new passion. At the very least, you could end up getting some much-needed joy.

## FOR TODAY'S BIRTHDAY

You enjoy spending time with others and getting to know people. You might even consider yourself a people person. You're friendly, relatable, and easy to get along with. However, because you're such a deeply analytical thinker, there might be times when you feel misunderstood by others. Still, if you remain true to yourself, you'll always be able to find folks who truly get you. This year, you may be on a quest to simplify your life so you can devote more time and energy to the people and projects that truly matter to you.

Today's Tip

# MASTER STROKES

BY PHIL FRANKE WITH TOP 100 GOLF INSTRUCTORS

## Cut To the Chase!

Are you “spraying” your tee shots off-line, and particularly if you “pull” or hook your shots to the left? If so, here’s a simple tip to help. Extend the clubhead down the target line beyond impact! As you swing down and through, try to make the clubhead “chase” the ball as it takes off by extending your arms and hands as fully as you can while staying in balance. Of course, your arms and hands must eventually swing the clubhead back inside the target line as you continue into the follow-through. But you’ll find that by making this effort to extend the club down the line past impact, a greater percentage of your tee shots will find the fairway.

## Feta Pasta

Greek Pasta Recipe with sauce made out of feta, stock, cream cheese and other ingredients. Uses mixed spice for special flavour, and is a great dinner or mid-day meal.

**Prep time:** 15-30 min

**Cook time:** 25-30 min

Serves Around 3 People. You can scale up to 4 If you increase most quantities by +1/4.

### Ingredients

Medium Sweet Onion (Finely Chopped)  
 Virgin olive oil (not extra-virgin)  
 White Sugar  
 3 Fresh Medium Garlic Cloves (Chopped Fine)  
 15-20 Kalamon/Kalamata Olives (Cut into thirds)  
 Whole small zucchini (Cut to small pieces)  
 6 Medium Mushrooms (Cut smallish and small stalk)  
 1/2 Broccoli (Chopped small)  
 8-10 Finely sliced cherry tomatoes  
 1/2 Block of feta (Washed)  
 1 Chicken stock (Added to 3/4 Mug boiling water)  
 Overfilled Teaspoon Mixed Spice  
 3/4 Bowls fusilli pasta  
 Overfilled tablespoon Creme Cheese  
 1/3 Mug whole milk

### Directions

Make sure to prepare & chop most ingredients before you start.

Get a small deepish pan and heat it to low-medium temperature. Add a good amount of virgin olive oil and place one of the small onion pieces into the pan. Wait until it starts to sizzle and add the rest of the onion. Mix well and make sure the temperature is not too high as it can damage ingredients. Optional: You can sprinkle some sugar over the onion to make it sweeter. Then after a few minutes, when the onion has browned/softened, add in the garlic and wait 1-2 minutes, then you can turn off heat and put it to the side for later.

Get a medium-large sized deepish pan, heat with oil and then add in the olives, zucchini and mushrooms. Sprinkle salt every now and then to enhance taste. After a few minutes when they are soft and are around the same color, then add in the onion and garlic from the smaller pan.

Wait a couple minutes and then add the broccoli and tomato slices to the mix. Wait 2-3 more minutes and then get your rinsed feta and melt it in the pan (chop to speed up).

Start cooking the pasta.

When the feta has nearly finished melting, add in the stock to the mix. Turn the pan temperature down slightly and then let it bubble for 5 mins (add a timer). Make sure to add the cover to the pan to keep in the flavor.

After the 5 mins timer is up, add the overfilled tablespoon creme cheese to the main mix, stir, then re-add lid. Wait 2-3 more minutes and then you can test the sauce if you want. If you feel there is some missing, add more mixed spice or herbs such as parsley to it.

Turn down the main mix again slightly and add the 1/3 Mug of Whole milk to the mix.

Strain and serve your pasta and cover with the sauce. Enjoy!

4202 - 51 Avenue, Camrose, AB

## DATES

June 5, 2026 from 3:00pm - 7:00pm  
June 6, 2026 from 9:00am - 3:00pm

The **Recycling Roundup** is an opportunity for residents to responsibly dispose of a variety of materials, ensuring they are handled safely and sustainably.

Every household uses products in their home and garden that contain harmful **chemicals**. *Any container that cautions about careful use of the product or disposal of the container should be included in the Beyond-The-Bin Recycling Roundup.*

Materials brought to the Roundup should be kept in their original containers. Broken or cracked containers should be placed inside leak-proof packages and labelled. Jars or cans of unidentified chemicals can also be disposed of—simply take them to the Roundup and tell a staff member that you are unsure of the contents.

**The following items will be accepted, however to reduce program costs, the preferred recycling locations are:**

- Paint at the **Landfill or Recycling Depot**
- Used Oil, Containers, and Filters at the **Landfill**

## RESTAURANT SPOTLIGHT

### Cold Lake Brewing & Distilling

**1014 – 8 Avenue, Cold Lake • 780.654.2523**

Cold Lake Brewing & Distilling Co. is proud to serve the Lakeland as its first local small-batch brewery and distillery. Established in 2016, we're committed to crafting high-quality products while supporting our community and sourcing local ingredients whenever possible.

In 2021, we expanded into a larger location in Cold Lake North, featuring a full-service restaurant, taproom, and two outdoor patios. We've also recently refreshed our menu, introducing a lineup of crave-worthy burgers, handcrafted pizzas, and bold, flavour-packed tacos.

Over the years, we've become a go-to gathering place for locals and look forward to welcoming visitors into our warm, inviting space—whether you're here to enjoy our handcrafted beers and spirits or simply experience a bit of Cold Lake hospitality.

Chef Carolyn Forsyth is from Lunenburg, Nova Scotia, where she worked as a PEW at a nursing home in Lunenburg, then moved on as a line cook at a Pub & Brewery in Kentville, Nova Scotia. Her experience there motivated her to become a chef, attending NSIT and getting her Red Seal credentials. Carolyn moved to Alberta for work with her husband, and ended up as a Kitchen manager at Clarks Eatery in Cold Lake. She was there 17 years, moved on to Muster Point as Kitchen Manager, then to Cold Lake Brewery where she is currently.

#### What made you want to be a chef?

"I wanted to be a Chef as I always liked cooking and it always gives me a challenge."

#### Why do you use Alberta ingredients in your kitchen?

"I always liked using local Alberta ingredients because I love to support local and have fresh produce in my Kitchen and like to know exactly where my ingredients are coming from."

#### What is your favourite Alberta ingredient to use?

"My favourite Alberta ingredient is Vermilion Cheese or Steaks from local farms."

**Alberta on the Plate** showcases the incredible bounty that is grown and produced across our beautiful province. *Let us guide you in choosing the right monument for your loved one...*

- Monuments help families who have lost a loved one through the difficult transition period by providing them with a tangible link between the past, the present, and the future.
- Monuments can also tell the story of the deceased. You can have custom images put on the monument that can show what your loved one enjoyed, a glimpse into who they were.

- Monuments provide families a place where they can go, to reflect on the memories of their loved one, and on the moments they spent with them.
- We are able to assist with the design and inscription of your columbarium niche doors.
