Morning Giggle

A man had fallen between the rails in a subway station. People were all crowding around trying to get him out before the train ran him over. They were all shouting.

"Give me your hand!" but the man would not reach up.

Ralph elbowed his way through the crowd and leaned over the man. "Friend," he asked, "what is your profession?"

"I am an income tax inspector," gasped the man.

"In that case," said Ralph, "take my hand!"

The man immediately grasped Ralph's hand and was hauled to safety. Ralph turned to the amazed by-standers. "Never ask a tax man to GIVE you anything."

Your Horoscope

by Mecca Woods

ARIES (March 21 to April 19)

Don't be so hard on yourself. You have more going for you than you might realize.

TAURUS (April 20 to May 20)

You may need to make an extra effort to find something that makes you feel hopeful, but it's out there.

GEMINI (May 21 to June 20)

You may not be in the mood to socialize or be around too many people today. Maybe a friend cancels on plans. That's fine. You need a timeout anyway.

CANCER (June 21 to July 22)

Asking for help can make your life and your workload easier to manage.

LEO (July 23 to Aug. 22)

Don't give up before you even start. Put a plan together and take it one step at a time. You'll get where you want to be.

VIRGO (Aug. 23 to Sept. 22)

It takes courage to wear your heart on your sleeve. Be brave.

LIBRA (Sept. 23 to Oct. 22)

An open and honest discussion can pave the way for real trust and intimacy.

SCORPIO (Oct. 23 to Nov. 21)

Talking to your partner or a trusted friend could provide you with the encouragement you need.

SAGITTARIUS (Nov. 22 to Dec. 21)

Something you want might be financially out of your reach. Maybe you can start saving for it or find a more affordable option.

CAPRICORN (Dec. 22 to Jan. 19)

Getting a big dose of fun can help you beat the blues.

AQUARIUS (Jan. 20 to Feb. 18)

If your brain feels fried, prayer, meditation, or getting some extra rest can help ease your mind. Come back to the project or issue when you're feeling refreshed.

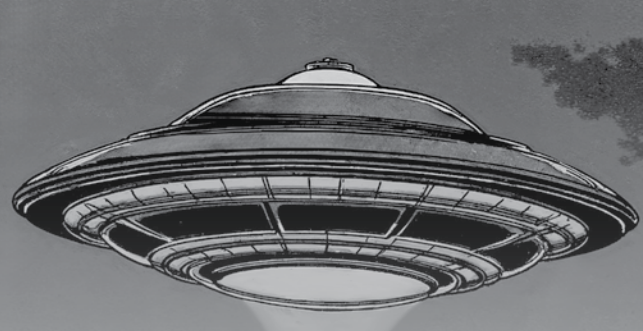

PISCES (Feb. 19 to March 20)

The only way to get what you want is if you ask. Don't assume the answer will be no.

FOR TODAY'S BIRTHDAY

You may be a highly sought-after person because of your skills or insight. Others may call on you for guidance or ideas. As a thoughtful and caring person, you put a lot of effort into your work and your relationships. However, you may not always get the same amount of effort in return. Knowing your value and how much you have to offer can help you better identify the people and projects that deserve your time and attention. This year, you may find yourself ready to break free of relationships or situations that are hindering growth instead of fueling it.

Senior Tip

MASTER STROKES

BY PHIL FRANKE WITH TOP 100 GOLF INSTRUCTORS

Split Grip Drill

The main cause of the slice is an "open" clubface at impact. The Split Grip Drill helps amateurs and seniors learn a powerful release with proper hand, wrist, and arms rotation (right hand crossing over left) through the impact zone, so the clubface is square when it meets the ball.

From address, split your hands several inches apart. Swing the club back only to hip level; it will be apparent if you make any rolls or twists of the club. The toe of the club should be pointed straight up. Now swing the club back down and through, pointing at the target. Again, the toe of the clubface should be pointing straight up to the sky. Repeat back and forth.

This should give you the proper feeling of correctly rotating through impact.

By Jim McLean, owner, Jim McLean Golf School, author of the best-selling book "The Slot Swing" and the all-new "Build Your Swing" illustrated by Phil Franke'

CAMROSE — WARNING! Tom Morello is bringing a One Man Revolution to Camrose!

Tom Morello: A Night of Stories & Music with special guest, Ike Reilly

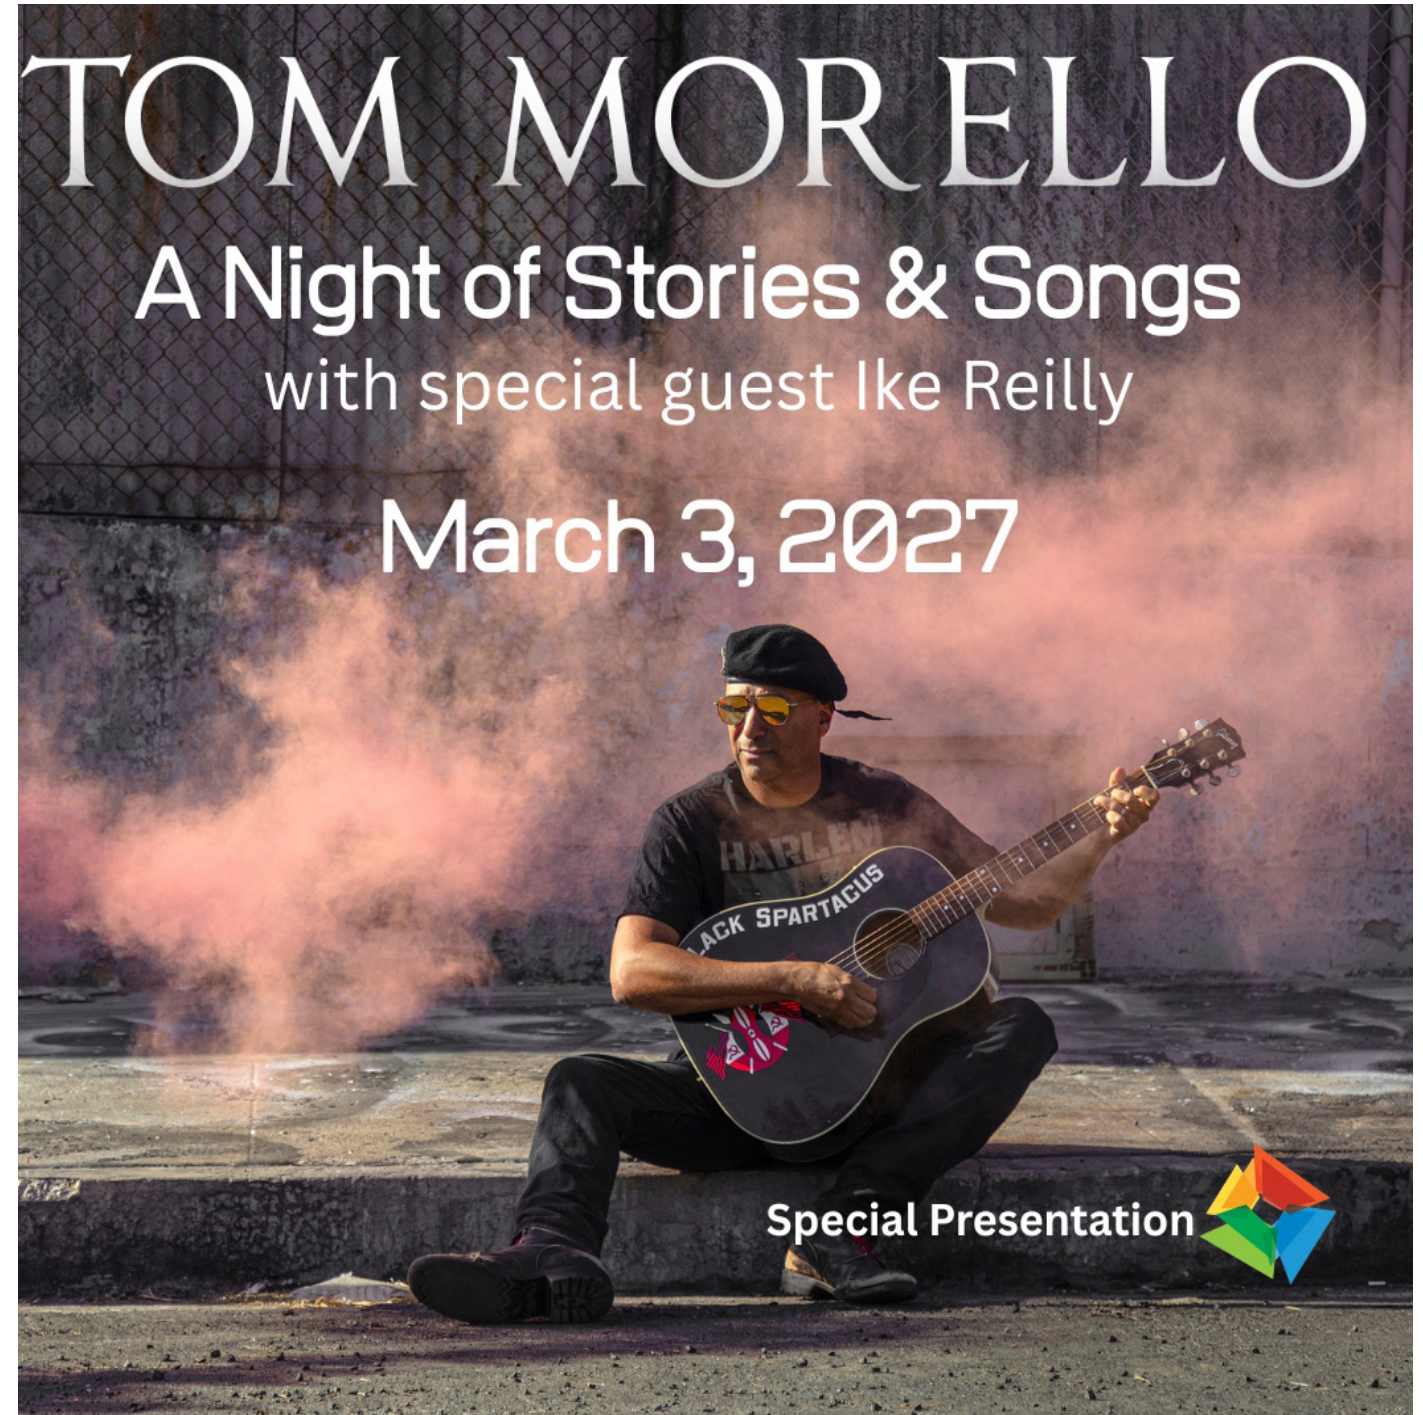

Rock God. Justice fighter. Rabble-rouser. Ivy Leaguer. An American renegade and fearless truth teller. Rage Against the Machine's guitar virtuoso, Tom Morello, is many things; but perhaps, he himself, sums it up best: a one-man revolution. For the first time ever, hear Morello fuse the deeply personal with the political in a rapturous, badass, one-man show that skillfully balances soul-bearing stories with spellbinding guitar fury.

Dangerous Truths will be revealed!
Secrets & stories will be shared!
Seditious songs will be sung!
Weaponized guitar will be unleashed!

Don't miss it. **Tickets available May 7th!**

About Ike Reilly

Ike Reilly is a punk-poet-troubadour and the leader of the musical outfit The Ike Reilly Assassination. The former doorman and gravedigger from Libertyville, Illinois is the host of Ike Reilly's Lies & Apologies on SiriusXM's channel 28 ,The Spectrum. Reilly is also the subject of the award-winning documentary Don't Turn Your Back On Friday Night (streaming everywhere). Since his major label debut, Salesmen and Racists, Reilly has been creating rebellious punk/folk/country/blues-influenced rock 'n' roll records that are political, poetic and cinematic. He's written songs for and collaborated with artists like Tom Morello, Shooter Jennings, Johnny Hickman and David Lowery of the band Cracker and more. Reilly has been politically outspoken both in song and action in his support of labor and causes for justice and equality. He's performed in support of labor unions in the Midwest and appeared with Bruce Springsteen at the historic Defend Minnesota Concert in Minneapolis in 2026. Author Stephen King recently said "Ike Reilly is the Rock God not enough people have heard of" and critical praise for Reilly and his band has been plentiful. David Carr of the New York Times said, "Ike Reilly is a kind of natural resource mined from the bedrock of music, all the values that make Rock important to people-storytelling, melody, rage, laughter are part and parcel of every Ike Reilly show I've ever seen." The Washington Post called The Ike Reilly Assassination one of the best live bands in America.

THE
MORNING BITE
Butter Cake

Prep time: 10 min

Cook time: 50 min

Servings: 8-10

Ingredients

For steps 1-5:

250g unsalted butter (warm to room temperature first)

130g caster sugar

1tsp vanilla extract

4 egg yolks

200g sifted self-raising flour (use as little as 180g for a moister texture)

60mL milk

(optional) 30g cocoa powder (for a marbled appearance)

For the meringue in step 6:

50g caster sugar

Egg whites separated from the yolks above

Directions

Beat butter, sugar, and vanilla extract until incorporated.

Beat in egg yolks one at a time.

Beat in half of the sifted flour, then the milk. Take care not to overwork the gluten after the flour is added. You may well find that manually stirring in the flour yields better results.

Beat or stir in the remainder of the flour until just incorporated.

(optional) Separate approximately one-third of the batter and mix in with it cocoa powder.

To make the meringue, beat egg whites at high speed while gradually adding sugar until firm peaks form.

Fold the meringue into the batter. If you have done the fifth optional step, then you'll need to portion out approximately one-third of the meringue for the cocoa batter, and the remainder for the normal one.

Pour the batter(s) into a cake tin, and tap it on the countertop to get rid of any large air pockets.

(optional) For the marbled appearance, run a skewer or chopstick through the batter a few times. Do not overdo this lest you end up with a homogenously light brown cake rather than a yellow cake with dark brown streaks.

Bake at 175°C/350°F (conventional non-fan-forced) for 40-60min depending on the resulting batter thickness in your specific cake tin. Just keep an eye on it and you'll be fine; test its doneness by inserting a skewer and seeing whether it comes out clean.
