Your Horoscope

by Mecca Woods

ARIES (March 21 to April 19)

Before you act on an idea or make a big decision, try to sit with it for now. This way, you can determine how you should best proceed.

TAURUS (April 20 to May 20)

Someone's words might annoy or upset you, but you don't have to take the bait or feed into their drama.

GEMINI (May 21 to June 20)

You might feel like you're being spread a little too thin. Pull back a bit so that you can regroup.

CANCER (June 21 to July 22)

Getting what you want might not happen as quickly as you might like. Have a little more patience.

LEO (July 23 to Aug. 22)

Now might not be a good time for bringing up a touchy subject with a family member. Reflect on what you hope to achieve with such a discussion first.

VIRGO (Aug. 23 to Sept. 22)

You might be overthinking things and making a problem bigger than what it should be. Talking to a trusted friend might help you to zoom out and find perspective.

LIBRA (Sept. 23 to Oct. 22)

Don't waste too much time waiting on others to validate you. Be your own biggest fan instead!

SCORPIO (Oct. 23 to Nov. 21)

Try to avoid rushing to judgement. Make sure you have the full picture.

SAGITTARIUS (Nov. 22 to Dec. 21)

Be mindful of oversharing or offering unwarranted opinions, since it may not go over well. Practice discretion.

CAPRICORN (Dec. 22 to Jan. 19)

You have more to gain by being flexible or generous with others than you stand to lose.

AQUARIUS (Jan. 20 to Feb. 18)

You may not be able to control what someone else does, but you can control how you choose to handle it or respond.

PISCES (Feb. 19 to March 20)

Today could be challenging. Try not to lose your sense of humor or your capacity for joy.

FOR TODAY'S BIRTHDAY

You steer clear of anything that's too conventional or unoriginal. You're probably someone who wants to make a difference, whether it's within your community or on a larger scale. You might be drawn to humanitarian work. Some might say that you're an agent of change! You encourage people to be better and do better. You're encouraging and uplifting. You're also unafraid to try new things, and you love inviting people to join in on the fun. This year, make it a practice to remind yourself just how special you are.

BIRTHDATE OF: Sting, singer/musician; Kelly Ripa, actress/talk show host; Annie Leibovitz, photographer.

There are many different ways to begin the planning ahead conversation. For some families, it might be a casual conversation over dinner or a family gathering. For other families, a formal meeting might be better suited.

Benefits of Pre-Planning

- **Peace of mind** - Pre-planning takes the burden of making important decisions off your loved ones during a difficult time.
- **Longevity** - Pre-planning your funeral will make certain that your choices are respected and carried out, without leaving your family to wonder what your wishes may have been.
