Morning Gigue

A Swiss guy, looking for directions, pulls up at a bus stop where two Englishmen are waiting.

"Entschuldigung, koennen Sie Deutsch sprechen?" he says. The two Englishmen just stare at him.

"Excusez-moi, parlez vous Francais?" The two continue to stare.

"Parlare Italiano?" No response.

"Hablan usteddes Espanol?" Still nothing.

The Swiss guy drives off, extremely disgusted.

The first Englishman turns to the second and says, "Y'know, maybe we should learn a foreign language...."

"Why?" says the other, "That bloke knew four languages, and it didn't do him any good."

Your Horoscope

by Mecca Woods

ARIES (March 21 to April 19)

Unless you're sure of what you're getting into, don't be so quick to say "yes" to an offer or a contract.

TAURUS (April 20 to May 20)

Today might be overwhelming. Don't work too hard, and seek out tools that can help with managing your stress or workload.

GEMINI (May 21 to June 20)

Avoid overidealizing others. Acknowledge the beauty of your own gifts.

CANCER (June 21 to July 22)

You may be feeling a bit unsure of yourself. Tune into your intuition for reassurance.

LEO (July 23 to Aug. 22)

Use visualization techniques to help you reach your goals. Hold off on making major decisions for now and update your internet security.

VIRGO (Aug. 23 to Sept. 22)

Watch out for financial scams or deals that seem too good to be true.

LIBRA (Sept. 23 to Oct. 22)

There's a chance that someone isn't being straightforward with you. Be mindful of taking their word at face value.

SCORPIO (Oct. 23 to Nov. 21)

You need a time-out. There may be plans or projects that need to be put on hold for now.

SAGITTARIUS (Nov. 22 to Dec. 21)

It's a good time to connect with people who inspire you and your creativity.

CAPRICORN (Dec. 22 to Jan. 19)

Don't stress about missed opportunities. There will be many more to come.

AQUARIUS (Jan. 20 to Feb. 18)

You have a creative idea that's worth pursuing. Flesh it out a little more, then get to work!

PISCES (Feb. 19 to March 20)

Beware of undervaluing your talent or contributions. You have so much to offer others.

FOR TODAY'S BIRTHDAY

You might fuss over the little details, but you only do it because you want the best for yourself. You want to be at your best as well. When life gets chaotic, your cool attitude lets everyone know that you're in control. You have a way of putting others at ease with your laidback vibe. But as peace-loving and easygoing as you might be, you're still dedicated and disciplined. This year, when it comes to achieving your goals, don't push too hard. The best things will come to you when you stop trying to force them to happen.

Address: #104, 4870 - 51 Street

Albertans want a health care system focused on people, not piles of paperwork. That's why United Conservatives are working hard to improve the system so families, seniors, and communities across Alberta get better care when they need it most.

This month marks a big step forward. Starting September 1, three new provincial health corporations are up and running: Cancer Care Alberta, Give Life Alberta, and the new emergency health services corporation. These organizations focus on what matters most to Alberta families, like cancer care, organ and tissue donation, and emergency services.

Cancer Care Alberta is now in charge of all cancer treatment and services in the province. This means Albertans will receive the highest quality of cancer care, with better planning and support so that nobody has to face a cancer diagnosis alone.

Give Life Alberta will handle all organ and tissue donation in Alberta. This is life-saving work, and now there's a dedicated organization to make the organ and tissue donation easier and give families the support they need.

The new emergency health services corporation will work to make emergency wait times shorter, hire more doctors and other healthcare workers, and better organize urgent care. Albertans who call for help in a crisis can trust that emergency care will always come first.

All three of these new corporations are part of Acute Care Alberta. This means they'll work together and stay connected across the health care system. Even though leadership is changing, nothing is changing for doctors, nurses, paramedics, and other front-line health workers who help Albertans every day.

United Conservatives are working hard to make health care in Alberta more focused on patients, more efficient, and better for families. We're making sure every Albertan gets the care they need, when and where they need it most.

THE MORNING BITE the kitchn

This ingredient makes smoothies ridiculously creamy

Patty Catalano, TheKitchn.com

Are you convinced that the only way to enjoy a perfectly smooth and creamy smoothie is a trip to the smoothie shop? While a good blender helps, I've found an ingredient that can turn any thin and icy smoothie into a super-rich and satisfying one — and no, it's not a frozen banana.

Frozen bananas or thick Greek yogurt are often added to smoothies to make them creamier, but I prefer avocados! Bananas have a distinct flavor that not even the tarest berry can hide. And yogurt isn't an option for anyone avoiding dairy, but this avocado smoothie can be made with nondairy milk.

Although you can add avocado to any smoothie of your liking, I prefer to blend it with mixed berries, spinach, milk (dairy or otherwise), and maple syrup, which creates a sweet-tart smoothie that is creamy beyond belief. Here's how to make it.

Why you'll love it

Avocados have the best texture for smoothies. They're super creamy, but have a mild flavor that won't overpower the drink. Avocados also add heart-healthy fats, helping to keep you fueled until lunch.

Mixed berries add a sweet-tart flavor. Plus they add a vibrant hue that stays bright even after the spinach and avocado are blended in (which is important when serving kids who eat with their eyes first).

Key ingredients in avocado berry smoothies

Frozen mixed berries: Frozen mixed berry blends, full of blueberries, raspberries, and blackberries, are my favorite smoothie base. Ice-cold frozen berries are perfect here because they chill the smoothies without diluting the drink.

Spinach: I use fresh baby spinach here, which is mild and easy to blend.

Milk: You can use your choice of dairy or nondairy milk.

Avocado: Mild-flavored avocados add a thick and creamy texture to smoothies without overpowering other flavors.

Maple syrup: Sweeten the smoothies with a bit of maple syrup.

Avocado Berry Smoothie (Makes 2 1/2 cups; serves 2)

1 1/2 cups frozen mixed berries, such as blueberry, raspberry, blackberry

1 cup fresh spinach

1 cup dairy or nondairy milk

1/2 ripe medium avocado

1 tablespoon maple syrup

1. Place ingredients in a blender and blend on high speed until smooth and creamy, about 1 minute. Pour into two glasses and serve immediately.

Raspberry and Rosemary Grilled Alberta Lamb Skewers

Ingredients:

- 1 lb. cubed Alberta lamb from loin or leg
- 2 Tbsp raspberry vinegar
- 1 Tbsp Dijon mustard
- 1 Tbsp soy sauce
- 2 tsp. minced fresh rosemary
- 1 clove garlic, minced
- 1 tsp. olive oil
- Salt & fresh ground pepper to taste

Method:

Thread 4 oz. of lamb onto end of bamboo skewers (makes 8). Arrange in a shallow dish.

Whisk together the vinegar, mustard, soy sauce, rosemary, oil and garlic. Pour over skewers and turn to
