Your Horoscope

by Mecca Woods

ARIES (March 21 to April 19)

Today is excellent for brainstorming ideas for your next project or plan.

TAURUS (April 20 to May 20)

If you've been trying to manifest some extra money or a job opportunity, your efforts may soon pay off.

GEMINI (May 21 to June 20)

A positive attitude will lead to positive results. Seize the day with confidence!

CANCER (June 21 to July 22)

Your ability to tune into what others need or feel will be very useful for managing relationships as well as expectations.

LEO (July 23 to Aug. 22)

Your social life is spotlighted today. The timing is great for spending time with friends, attending a gathering, or making connections.

VIRGO (Aug. 23 to Sept. 22)

A willingness to step outside of your comfort zone can lead to a successful outcome, especially if it involves your career or leadership style.

LIBRA (Sept. 23 to Oct. 22)

It's important that we never stop learning. What are some topics or subjects that you want to know more about? Dig your heels in!

SCORPIO (Oct. 23 to Nov. 21)

If you've been working to improve your emotional well-being, you could experience a breakthrough today. This could also be a good time to start this kind of emotional work in general.

SAGITTARIUS (Nov. 22 to Dec. 21)

It's a favorable day for an important meeting or conversation. You could come away from it with a new opportunity, a greater understanding, or a happy resolution!

CAPRICORN (Dec. 22 to Jan. 19)

If your usual routine or way of doing things isn't working as well as it used to, maybe it's time to switch it up.

AQUARIUS (Jan. 20 to Feb. 18)

Let people see the real you! Your authenticity will speak for itself.

PISCES (Feb. 19 to March 20)

Trusting your intuition means trusting yourself and what you're capable of achieving.

FOR TODAY'S BIRTHDAY

You're a proactive person; you're always thinking ahead. You avoid preventable mistakes by targeting problems before they happen. However, you can sometimes overthink things and find issues where there are none. Learning the value of acceptance can help you save precious time and energy that perfectionism can steal away from you. As this year brings the focus to your ambitions and your reputation, make sure the standard that you're holding yourself to is realistically within reach.

THE MORNING BITE

Matcha Cookies

Matcha is a type of tea leaf powder that has a beautiful vivid green color. However, it's different from the "green tea" that you drink with Japanese meals. That's green tea too, but matcha green tea leaves are grown and harvested differently. The leaves are grown under shade.

Ingredients

(for 13 cookies, 8 ~ 9cm in diameter)

115g Unsalted butter
60g Caster sugar
115g Brown sugar
55g Egg
153g Plain flour
12g Matcha powder
2g Baking soda
1g Salt
3g Vanilla extract
70g White couverture chocolate
45g Macadamia nut

Directions

Melt butter in a bath or microwave.

Add white sugar, brown sugar and salt and mix with a whisk

Add egg and vanilla extract and mix with a whisk until well mixed.

Add flour, matcha powder and baking soda and mix with a whisk until you can hardly see the powder.

Add white couverture chocolate and macadamia and mix evenly with spatula.

Allow 30 minutes to 1 hour in the refrigerator until the dough hardens.

Pan with a 5cm diameter cookie and bake at 170°C (338°F) for 9 minutes. (Unox convection oven)

Preheat the oven beforehand. My oven is very hot, so raise the oven temperature a little bit higher if you have common oven.

If you bake too little, it will not be cooked. If you bake too long, it will become hard.

The white couverture chocolate melts smoothly in your mouth, and the white chocolate chip has a more chewy texture. So you can choose anything to your taste.
